

# ROOSEVELT'S JEWISH ANCESTRY

"HE IS NOT ONE OF US!"

(Reprint from Oct. 15, 1936, issue of "The Revealer," of Wichita, Kan., Rev. G. B. Winrod, Editor.)

The chart shown below has come as a shocking revelation to millions of American citizens. It explains things in connection with Roosevelt's Administration which can not otherwise be understood.

Even a hasty perusal of this factual document convinces one as to the President's Jewish ancestry. From the viewpoint of eugenics, it explains his natural bent toward radicalism.

It shows why he has given hundreds of so-called Liberals, Socialists and Communists powerful positions in the national government. It reveals the origin of the sinister spirit which today animates the White House. It proves unmistakably, that the Roosevelt Administration offers a biological, as well as a political problem.

The New York Times of March 14, 1935, quotes the President as saying: "In the distant past my ancestors may have been Jews. All I know about the origin of the Roosevelt family is that they are apparently descended from Claes Martenszen van Roosevelt, who came from Holland."

Additional information regarding the nationality of the Roosevelt family, was given by Chase S. Osborn, early in 1934, at St. Petersburg, Florida. Mr. Osborn was formerly Governor of Michigan. The leading newspaper of the city (The Times) carried the following report after the interview:

"Although a Republican, the former Governor has a sincere regard for President Roosevelt and his policies. He referred to the 'Jewish ancestry' of the President, explaining how he is a descendant of the Rossocampo family expelled from Spain in 1620. Seeking safety in Germany, Holland and other countries, members of the family, he said, changed their name to Rosenberg, Rosenbaum, Rosenblum, Rosenvelt and Rosenthal.

"The Rosenvelts in north Holland finally became Roosevelt, soon becoming apostates with the first generation and others following suit until, in the fourth generation, a little storekeeper by the name of Jacobus Roosevelt was the only one who remained true to HIS JEWISH FAITH. It is because of this Jewish ancestry, former Governor Osborn said, that President Roosevelt has the trend of economic safety (?) in his veins."

## JEWRY'S WORLD PROGRAM

The radical movement which is sweeping the world today, causing the foundations of organized society to crumble, is a Jewish movement! Whether it is the First Communist Manifesto, written by the Jew Karl Marx, in 1848—or a Moscow dictatorship, set up eighteen years ago, composed of 545 leaders, of whom 447 were Jews—or a Jewish banking concern in Wall Street depositing money to the credit of Lenin and Trotsky in a sister bank in Sweden—or a Communist regime in France, headed by the Jew, Leon Blum—or a Spanish revolution, precipitated by a Jew named Bela Kun—or an ominous division in the ranks of the American Federation of Labor—or a subversive Brain Trust carrying the Nation toward the red abyss of Bolshevism . . . the radical program is today, and always has been, primarily A JEWISH PROGRAM.

Roosevelt inevitably draws upon his Semitic ancestry. It is, therefore, as natural for him to be a radical, as it is for others to be true Americans. This is why he can boast of flouting conventionalities, and publicly gloat over destroying those traditions which are fundamental to our national character. **HE IS NOT ONE OF US!** This may also explain why he attaches so little importance to his word of honor, and has no hesitation in breaking his promises.

It is to be doubted if he, himself, understands the inner forces that surge through his being, driving him further and further toward the Left! It's in his blood! Meanwhile, the result of 160 years' constructive effort on the part of Christian patriots threatens to be swept away.

For this reason, one of his first official acts after becoming President, was to invite Finklestein, alias Litvinoff, to the White House for the purpose of establishing diplomatic relations with the Jewish dictatorship of Moscow. For this reason, he has appointed Jewish Ambassadors to such strategic diplomatic posts as Paris, Stockholm and Moscow. For this reason, Bernard Baruch has lately been called "the unofficial President of the United States."

For this reason, a super-cabinet, known as the "Brain Trust"—an organization of appointees dominated by powerful Jewish intellectuals, has been set up to usurp constitutional powers of our duly elected lawmakers.

We do not condemn Roosevelt for coming from Jewish stock. We condemn him for being a leader in the international radical movement **which is throwing Gentile governments, the world over, into convulsions.**

If the Jews were living as an independent nation in their homeland (Palestine) today, it would be a mistake for a **Gentile** to rule over them.

In like manner, the Semitic mind is incapable of assimilating the Christian and American viewpoints sufficiently, to risk placing the destiny of 120,000,000 human beings in the hands of a few members of their race.

#### CONFIRMATION FROM OTHER SOURCES

In the 1938 "World Almanac" under the heading "Biographies of U. S. Presidents and Their Wives," page 237, appears this: "Franklin Delano Roosevelt was the son of James Roosevelt, a direct descendant of Claes Martenzen van ROSENVELT, who arrived in New Amsterdam in 1649 and married Jannetje SAMUELS."

The following is from "The House of Roosevelt" by Paul HABER, 1936 edition "Claes Roosevelt entered the cloth business in New York, and was married in 1682. He accumulated a fortune. He then changed his name to Nicholas Rosenvelt. Of his four sons, Isaac died young. Nicholas married Sarah Solomons. Jacobus married Catherina Hardenburg. The Roosevelts were not a fighting but a peace-loving people, devoted to trade. Isaac became a capitalist. He founded the Bank of New York in 1790."

The American Freedom Magazine of Los Angeles, Calif., April, 1938, issue, reproduced the quotation below:

"In an address to the National Convention of the D. A. R., President F. D. Roosevelt said that he too was of revolutionary ancestry. **BUT NOT A ROOSEVELT WAS IN THE AMERICAN ARMY.** They were Tories, busy entertaining British officers. The first Roosevelt came to America in 1649. His name was Claes Rosenfelt. He was a JEW. Nicholas the son of Claes, was the ancestor of both Franklin and Theodore. He married a JEWISH GIRL named Kunst in 1682. Nicholas had a son named Jacobus Rosenfelt. In the family tree there are 351 persons bearing biblical names of the Tribe of Israel. —From The Corvallis Gazette-Times, of Corvallis, Oregon."

#### FDR'S "DISTINGUISHED SERVICES TO JEWRY"

New York Jews having designed and struck off a medal with the head of Roosevelt on one side and the sixpoint Solomon Star, synagogue symbol of possession and world power, on the other, with a mystical so-called "Good Luck" idiom in the center of the star, the undersigned and his associates investigated to ascertain the significance, if any, and report these implications:

"Good Luck and Wisdom to Franklin D. Roosevelt, our Modern Moses, Leading Jewry in 'The Promised Land' (America) under the 'Seal of Solomon'."

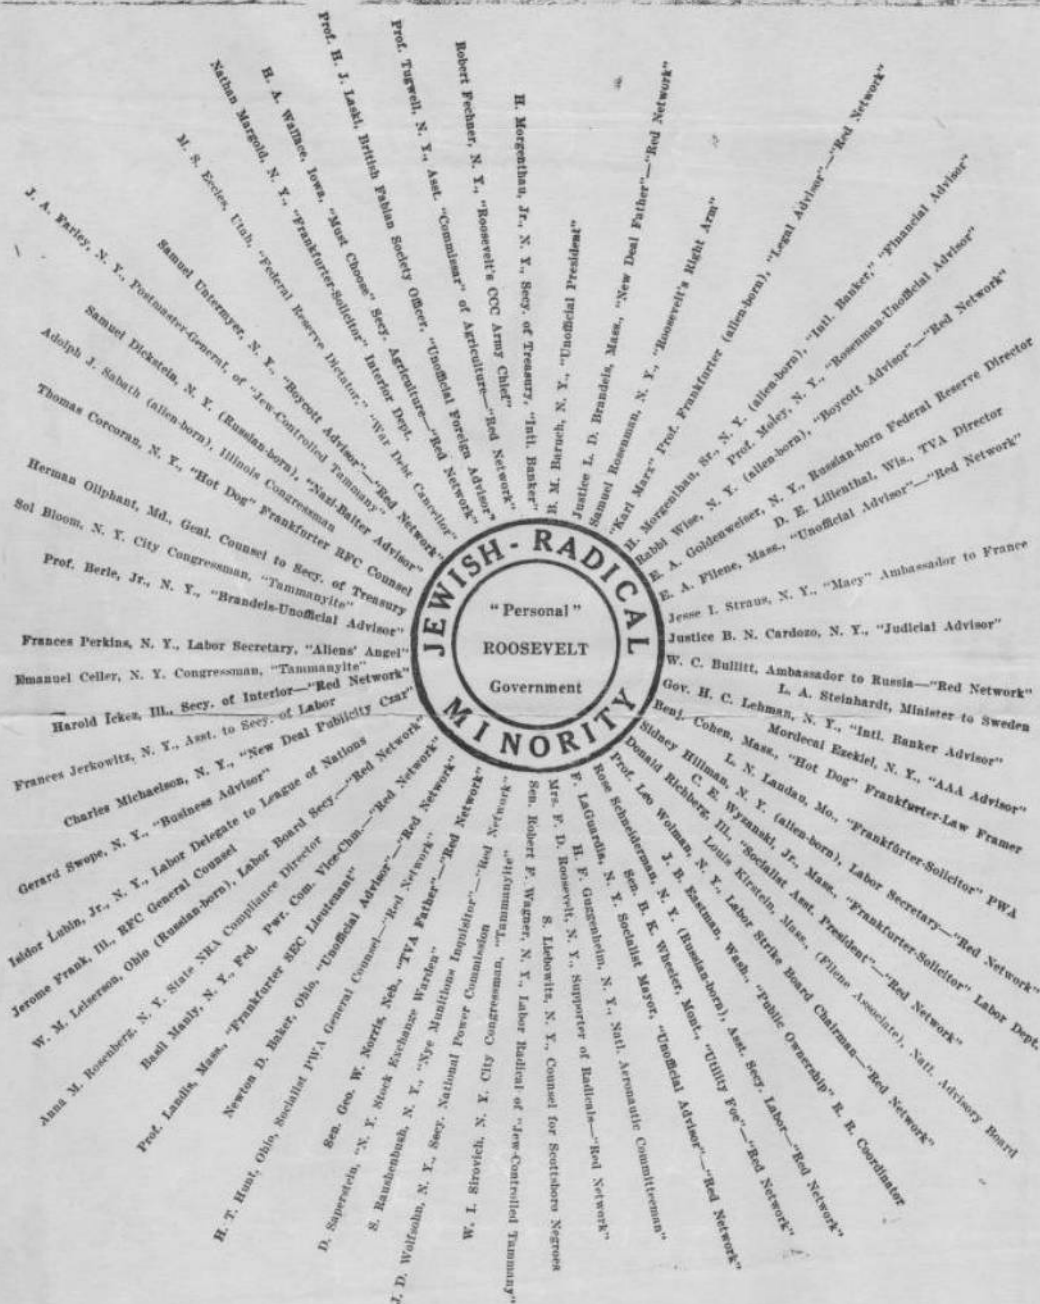

The following New York item was published from Coast to Coast under an Associated Press date line of May 8, 1937: "President Roosevelt will receive the tenth award of the Gottheil Medal for "DISTINGUISHED SERVICES TO JEWRY." Another such Jewish medal was given him Dec. 22, 1938, according to the N. Y. Herald-Tribune of Dec. 23, 1938.

WHAT "distinguished services" has Roosevelt rendered to Jewry?

## A Picture of the Roosevelt Jewish-Radical New Deal Minority Power Controlling Washington

The picture below shows an incomplete list of many unofficial and official powers behind Roosevelt Leadership, including appointees, proteges and elected "representatives," all apparently under the Brandeis-Frankfurter-Morgenthau Jewish-Radical Minority Influence—descriptions being taken from Jewish publications, the "Red Network" book of radicals, Congressional, Associated Press and other public records. It is estimated that 18,000 "Key-Jews" are now directing America's destinies, under the guidance of 100 FRANKFURTER Lieutenants.

Surrounded as indicated, can any leadership acquire unprejudiced knowledge essential to sound administration? By accepting supreme authority from Congress, Roosevelt became automatically accountable to the people.

D. Roosevelt—henchmen of the Brandeis-Baruch-Frankfurter-Morgenthau "school", said to be executively directed by "Karl Marx" Prof. Felix Frankfurter—now U. S. Supreme Court Justice—called by Gen. Hugh S. Johnson in the Saturday Evening Post of Oct. 26, 1935, "THE MOST INFLUENTIAL SINGLE INDIVIDUAL IN THE U. S."

"President Roosevelt will receive the Gottheil Medal for 'DISTINGUISHED SERVICES TO JEWRY'", said an Associated Press dispatch of May 8, 1937. The medal shown below the star on the left (the front) and right (the back) has been circulated in New York City. The Yiddish idiom in the center of the small star is said to mean "Good Luck." # DOROTHY DODGES

Miss Thompson, Herald-Tribune Public Political Commentator, "Answers" Queries as to Her Family Jewishness by Asking for Editor's Record, Already Broadcast.

## LETTER OF INQUIRY TO MISS THOMPSON

Under date of Feb. 24, 1939, I wrote Miss Dorothy Thompson the following courteous letter:

"Presumably on account of the widespread publicity given your pen-name, the undersigned has been receiving a large number of inquiries formulated in substance thus: 'Who is Dorothy Thompson?' To enable me to answer with first-hand information direct from original sources, would you favor me with answers to the following questions:

"(1) Was your first husband, Josef Bard, of Budapest, Hungary, a Jew? (2) Is your second husband, Sinclair Lewis, of Jewish ancestry? (3) Are you of Jewish ancestry? If not, how has the name 'Levy' been associated with your name? Was it due to the fact that the American Hebrew of June 18, 1937, published a statement allegedly from Sinclair Lewis saying that his 'legal name was Levy'? What authority was there for such a statement? Who's Who in America does not provide the above data." (Signed) Robert Edward Edmondson.

Replying thereto Mar. 3, 1939, Miss Thompson, with "impertinence"—her own term in the imitation-communication below—refused to answer any of the questions civilly submitted:

## MISS THOMPSON'S ANSWERLESS-REPLY

"Mr. Robert Edward Edmondson, Public Relations Counsel,  
Stoddartsville, Pennsylvania.

"Dear Sir:

"On account of the widespread publicity which you are giving anti-Semitism and pro-Fascism, I have received a large number of inquiries formulated in substance thus: Who is Robert Edward Edmondson, and whom does he represent? To enable me to answer with first-hand information directly from original sources, will you favor me with the answers to the following questions?

"(1) What have the questions you ask me to do with your profession as mentioned on your letterhead, of Investment-Economist? (2) Will you please furnish me with a list of the names of the people who finance your publication? Who's Who doesn't provide any data on you whatsoever.

"Your interest in my husband's name surprises me, in as much as you have already used the name 'Levy' for months in your circulars. I don't consider it an insult to be called Jewish, but since you do consider it an insult, I accept it in the spirit in which it is meant, and justify the impertinence of this letter as the only way I could think of to answer your own colossal impertinence. (Signed) Dorothy Thompson—the 'Pen-Name' with which I was christened." (Emphasis supplied).

## MR. EDMONDSON ANSWERS MISS THOMPSON'S QUERIES

Although "impertinently" asked questions, but having **nothing to conceal**—like the Jews—I take pleasure in truthfully answering the queries submitted by Miss Thompson so far as lies within my power, in the following "open letter" published in response to requests from correspondents, upon my return from a visit to the Capitol City that once was graced by Gentility:

"Dear Miss Thompson:

Although you have not seen fit, in your letter of Mar. 3, to enable me to reply to my correspondents with original-source-information, I herewith gladly comply with your requests, regretting that I have to quote from "The Records" elsewhere concerning your **background qualifications to analyze and interpret for citizens, international and national politico-economic developments vital to the current communistic crisis in which Americans find themselves.** Taking up the paragraphs of your communication seriatim:

(1) For your enlightenment, an Investment-Economist and a Public Relations Counsel (both of which appear as titles on my letterhead), are **directly concerned in root causes in American Economic and Political fields**—which have been invaded and wrecked by Jews; over 2900 of them listed in Who's Who in American Jewry as **foreign-born**—all evidently summoned to this "Promised Land" by other Jews born here who have made it **A Milking Pot** instead of assimilating into integral Americanism's so-called Melting Pot.

Consequently, the Brandeis-Frankfurter-Morgenthau-Baruch Jewish "School of Thought" is now **dominating the politico-economic affairs of the nation with an alien and anti-American "Way of Life"** that is destroying The Republic by trying to substitute for it the rabbi-promulgated "Thoroughly Socialized Democracy"—described in Webster's Dictionary as "Social Democracy", **THE COMMUNISM OF RUSSIA.**

(2) It would be physically impossible, in the first place, to furnish you with a list of the names of the patriots who finance my publications because they reach from the Atlantic to the Pacific Coasts,

and from the Great Lakes to the Gulf of Mexico, and are the great middle class of The Republic. **Absolutely no Hitler-Mussolini financing has been received.** However, such would be just as acceptable as were the German volunteers George Washington welcomed into his Liberation Army at the birth of the Republic; but, since the Jews claim that their International Boycott against German-American trade (disastrous to both nations and treasonable to the U. S. A.) has **bankrupted Hitler**, I don't see how **he can finance all the patriots**, Fascists or otherwise, who are now opposing Jewish destructive ideologies everywhere. (I shall be glad at any time to make affidavits as to the foregoing.)

In the second place, to send **YOU** such names would be the act of a **Judas-betrayer**—as you are apparently allied with those whom I regard as enemies of my country—Jews and Gentile “Comrats”.

You point out that “Who’s Who” doesn’t provide **ANY** data about me. That is correct. Since my Jew-exposure bulletins, with my complete record (including a real-likeness-photo), are known among over 10,000,000 Americans—so many **more** than Who’s Who’s circulation—I did not think it necessary to **BUY SPACE** in Who’s Who. It pleases me very much to have confirmation, in the first sentence of your letter, as to the “widespread publicity” I am giving to the cause of patriotism. And, if you ask for it, I’ll send you a copy of letter from former President David Brown of the American Hebrew, wherein, after stating that he had exhaustively investigated my record, he was forced to give me “a clean bill of health” professionally and otherwise, excepting my “poisonous” Jew-Exposure documents.

### THE ‘PATRIOTISM’ OF THE LEVYS

The best way to answer your sentence: “Your interest in my husband’s name surprises me, inasmuch as you have already used the name Levy for months in your circulars,” is to quote from my open letter as below to you of July 4, 1937, to which I am still without reply:

“Commenting on amending the Wagner Labor Relations Act, in your N. Y. Herald Tribunes article of June 30, 1937, you make the following statements:

“The growth of vigilantism is menacing in the extreme \* \* \* The American Legion forms the **backbone** of the vigilante movement \* \* \* Every conceivable ‘patriotic’ organization **rallies** to their defense \* \* \* The only possible position for any one who believes in **DEMOCRACY** \* \* \*”

“On this Independence Day celebration, may I call your attention to the **definition** of patriotic Americanism officially promulgated by and subscribed to by The Grand Army of the Republic, Spanish War Veterans, Disabled Veterans of the World War, Veterans of Foreign Wars and The American Legion, reading as below:

“Americanism is an **UNFAILING** love of country; **LOYALTY** to its Institutions and Ideals; eagerness to **DEFEND IT** against **ALL ENEMIES**; **UNDIVIDED** allegiance to the Flag.”

“Now, I observe that the name ‘Jewish War Veterans of the U. S.’ is **omitted** from this veterans pronouncement, as a subscriber to the patriotic definition—and I am correspondingly interested to learn how much your husband (SINCLAIR LEWIS, WHOSE ‘LEGAL NAME’, ACCORDING TO THE AMERICAN HEBREW OF JUNE 18, 1937, IS SINCLAIR LEVY), influences you in your disparaging allusions regarding said vigilantism. \* \* \* .

“I wonder why Jews generally sneer at the word ‘patriotism’? As reported in the Chicago Tribune of Sept. 25, 1935, Bernard M. Baruch, Jewish leader, is quoted confirming as saying: “I think National Pride a lot of **non-sense**.”

“I notice that, in company with the Central Conference of American Rabbis, who would also ‘thoroughly **SOCIALIZE**’ it, that you continually label our Republican Political System as a ‘**DEMOCRACY**’, yet Democracy, as you know, is nothing more or less than chaotic ‘**mobocracy**’, and whereas ours is the most limited **REPRESENTATIVE** national government in the world. \* \* \* .

“It seems that ‘**THE LEVYS**’ have much to learn, not only as to dynamic American patriotism, but also as to the present form of the U. S. Government, which ‘**THE ROSENVELTS**’ (See Carnegie Institute genealogy of the President), have been trying to destroy; but which is being ‘loyally protected, defended and preserved’ by American Vigilantes in a new patriotic renaissance—like Fascism in Italy and Nazism in Germany, where such militant nationalism saved those countries from the Communism which ‘Mr. Roosevelt’s Jews and Trotskyists’—using your own term—have been treacherously trying to ‘put over’ on the U. S. In this connection, is it true, as reported, that shortly before Hitler was overwhelmingly elected to power you ‘sized him up in six seconds’ as ‘not likely to amount to much’?

“‘Certainly that was a **BIG faux pas**, compared to the one you made when, on May 28, 1936, you falsely ascribed to me incendiary anti-Jewish writings for which, on July 23, 1936, in the Herald-Tribune, you **grudgingly apologized**.

“Under the error-circumstances, with Herald-Tribune Jewish Columnist Walter Lippmann, on one hand; Jewish Writers the Thompson-Levys, on another; and the Russian Rabbi’s son, George E. Sokolsky, on the third hand, continually assuming to teach Americanism and tell us how to run our country, non-alien New York readers are beginning to ask whether or not the name shouldn’t be changed to ‘**THE JEWISH TRIBUNE**’.”

### AN INSULT TO BE CALLED “JEW”

Regarding the last paragraph of your letter of Mar. 3: Yes, I would “consider it an insult” to be called “Son of the Devil” (John 8:44); but it would make me fighting mad if anybody called me a Gentile “Comrat”, since I loathe a traitor. You may recall that Educator Horace Mann said treason to Free Speech was **worse** than treason to the state; and, as a veteran journalist, I am fully in accord with that dogma. So, seeing The Press betraying the state which created it, you may imagine how I feel. Or, **can you?**

I fail to envision impertinence where a loyal citizen courteously asks a public political commentator for root records that will provide a background for judgment as to whether or not interpretations for public consumption are **sound, dependable and trustworthy**. I merely performed a public

In the New York, Boston, Philadelphia, Chicago, St. Louis, San Francisco, Los Angeles, New Orleans and other metropolitan centers, Judas-bossed politicians listen first to the Jewish voice because it is always howling for special privileges for the tribe—regardless of YOUR RIGHTS. Demand that they get rid of "Pet Jews at the Top." They are YOUR SERVANTS, under the American System. Unless you boss them, they will fatten on YOU.

No minority, Jewish or otherwise, can cope with the aroused action of majority Americanism. BE FEARLESS! Parasites and cowards are afraid of courage. BE MEN! DARE TO DO! Fortune FAVORS the BRAVE. Stop! Look! Listen! N. Y. City is now POGROM-CONSCIOUS!

Criminal laziness, maudlin tolerance and sucker-generosity are responsible for your troubles. Jews are alert, pushing, grasping, unscrupulous! THEY BEAT THE LAZY MAN TO IT EVERY TIME!

If you continue to take it lying down, you will GET what you DESERVE—COMMUNISM, the tool of Subversive Soviet Jews, who want war and world rule.

Put WHITE men in political positions of control—AND KEEP THEM THERE. If you and your friends and their friends now THREATEN POLITICAL TRAITORS WITH THE BALLOT—bullets may be avoided.

Workers of America! Wake UP—GET, AND STAY ON THE JOB, or you may be jobless slaves!

# "A Pact With Hell!"

Widespread Denunciation of the Chamberlain-Roosevelt Political Proposal For An Unholy War  
Alliance Between Christian America and England With Atheistic Soviets, against  
Totalitarian States.

"Ideological differences do not really count in a question of this kind"—British Prime Minister Chamberlain in his speech before Parliament April 3, 1939, regarding a war alliance with the Communist Jewish Soviets against totalitarian nations.

Abysmal horror and wrathful condemnation permeates correspondence arriving at this office commenting upon the proposition of Prime Minister Chamberlain that Britain and America ally themselves with the Jewish Soviet murder-government in a move to "bait" the totalitarian nations into an overt act of so-called war-aggression, which might plunge the world into a stupendous conflict that could annihilate the civilization of Christendom.

Already the significant query is being propounded, "who will succeed Chamberlain?"

Under the graphically suggestive heading: "No Ideological Impediment," a leading front-page article in "Action," (4-15-39) weekly British patriotic publication, the Chamberlain Government is held up to scorn with these remarks:

"Public indignation has been aroused by the suggestion that we should join hands with that blood-stained tyranny and godless barbarism which is the USSR. Catholic newspapers were among the first to protest: 'Have no truck with the Soviet.'" (Yaroslovsky, head of 'The Russian Godless Society,' has been mentioned as chief of the section of the History of Religion in the new Soviet Academy of Science).

And Roosevelt hails the negotiations, and would put the USA behind the Soviet dictatorship and European "democracies" in a world war demanded by International Jewry to wipe out the Fascist countries which have, in self-protection, forced a Jewish exodus in emulation of the expulsion from Egypt many centuries ago, because the tribe brought plagues upon that country.

Since Roosevelt acclaimed Soviet Jewish Minister Plenipotentiary Finkelstein-Litvinoff and "recognized" his murder-government, and yearly "congratulates" Moscow upon its successful Bolshevik revolution, Washington's joining in the Communistic Chorus surprises none who has his eyes open to the subversive actions of the Roosevelt Jew Administration.

BUT, "How Are The Mighty Fallen," when we contemplate the London "Christian" Cabinet bowing down in worship of the Golden Idol and trying to curry favor with the godless rulers of what once was Russia—panic-stricken to save their political faces—at expense of country and honor!

"No Ideological Impediment"! Have the English-speaking people of the world so degenerated that they can't see the difference between Right and Wrong, between Good and Bad, between Christ and Anti-Christ? What has so rotted character? I'll tell you!

THE FETISH OF TOLERANCE! The people have forgotten Edmund Burke's warning that: "There is a limit at which forbearance ceases to be a virtue!" **IT HAS BECOME A VICE! IT HAS BEEN TRANSFORMED INTO TREASON!**

## JEWISH IDEOLOGIES THE CAUSE

And what has caused this degeneration? I can also answer that question. **JEWISH IDEOLOGIES?** Which are Oriental, not Occidental! Which are Anti-American! Which are Anti-Christian!

When sterling character rots—so does vision fade, the blind become leaders, and the people perish!

Look at Washington! When the Rosenvelts crack the whip—politicians jump to obey. But they wouldn't obey if the people told these faithless servants to jump in the other direction. The trouble traces back to the people. Their Constitutional Government hasn't failed. **THEY HAVE**

**FAILED** to "guard their political fortress with jealous care," as warned by Washington. They have let George the Jew do their work—and find that Eternal Vigilance is the Price of Safety, as well as Liberty.

Something has gone wrong in our Spiritual make-up. I believe it needs a rebirth. That means travail! It means ordeal! It means more and more suffering!

Cowardice has replaced Courage! Desperation may recall it—for we are confronted with Destruction! We have a rendezvous with Death! Remember, you faithless Servants of The People! When Jewry gets through with those who raised it to power—**IT PURGE-KILLS!**

True religion has not "gone wrong." Religionist Political Leadership, with a lust for material power, is the culprit. But bemused preachers will not be able to dodge the consequence of having dodged their responsibilities for bringing on war under the pacifist banner of peace.

Here is a sample: Dr. Stanley High, reported in the N. Y. Herald Tribune of May 4, 1936, as Roosevelt's personal campaign representative in organizing independent voters, once said: **"I am not so sure but that the atheism in Russia is a step in the right direction"**—quoting from the famous "Red Network" book, which lists him as belonging to the Communistic Federal Council of Churches, Jewish aided financially, and as advocating "intermixture of races".

"The ideals of Bolshevism are at many points consonant with the finest ideals of Judaism" (London Jewish Chronicle 4-4-19) is certainly illuminating as regards the rotting effect of Talmudic Judaism. And James Waterman Wise, son of Rabbi Stephen S. Wise, proudly hailed, in the New Masses of Oct. 29, 1935, the great Jewish Communist leaders of the Soviets, viz., Kaganowitch, Radek, Bela Kun and Yaroslowsky—the latter referred to heretofore as head of the Russian Godless Society.

The "Democracy" Prime Ministers of Europe may wail "Peace! Peace!" But there **CAN** be no peace when a destroying Jewish Frankenstein like the Communist Soviet promotes world revolutionary conquest—which the totalitarian patriots are fighting.

Faithless political servants have sold the souls of their nations, but it remains to be seen whether they will be able to deliver the goods.

Be Warned—Americans! **MUST BLOOD RUN IN THE STREETS BEFORE YOU WAKE UP AND SAVE THE REPUBLIC?**

**"A PACT WITH HELL!" SPELLS W A R !**

# "DISTINGUISHED SERVICES TO JEWRY"

## Medals For Roosevelt

Did the Tribe Pin Gottheil "Rewards" on President for the Supreme Court Pack-Plan to Destroy the U. S. Constitution and Substitute for the American System the Rabbi "Thoroughly Socialized Democracy"?

There was widely circulated in New York City upon the inauguration of Roosevelt a medal showing his head and shoulders on one side, labeled "Franklin D. Roosevelt, March 4, 1933", and on the other the Jewish 6-point Solomon Star of Ownership, in the center of which was a Yiddish idiom translated as meaning "Our Modern Moses." The seller said that a large number had been struck off in solid gold for special persons.

"President Roosevelt received the tenth award of the Gottheil Medal for 'Distinguished Services to Jewry', May 17, 1937."—Associated Press dispatch.

On March 6, 1939, Roosevelt was awarded The American Hebrew Medal "for outstanding services in promoting better understanding between Christians and Jews in America." (Second Corinthians 6:14 reads: "Be ye not unequally yoked with UNBELIEVERS.")

What "distinguished services to Jewry" has the President of the United States rendered, to justify these, and other Jewish medals given to Roosevelt during his regime?

In the N. Y. Herald-Tribune of Dec. 29, 1935, Percy Crosby, veteran newspaperman, was quoted as follows: "It is the aim of the Roosevelt Administration to regiment the entire press of this nation. The danger is the greatest facing the American people."

General Counsel Hanson of the American Newspaper Publishers Assn., said in July, 1936: "The national administration has hired more newspapermen to write news for the government than are employed by the newspapers. It has bottled up the sources of news. Every loss of liberty during modern times has been preceded by a destruction of the freedom of the press."

Was THIS "distinguished service" to Jewry by Roosevelt?

### ROOSEVELT JEWISH APPOINTMENTS BREAK RECORD

Below is quoted an extract from the Brooklyn Jewish Examiner of October 20, 1933: "The Roosevelt Administration has selected more Jews to fill influential positions than any previous administration in American history. One of the key Roosevelt advisors is Bernard M. Baruch. In the absence of the President from Washington Mr. Baruch is regarded as 'Unofficial President.' Dr. Herbert Feis is referred to as 'the brains of the State Dept.' The Jewish members of this 'Kitchen Cabinet' (Braintrust) are James Paul Warburg, Herbert Feis, Charles Taussig, Emanuel Goldenweiser, Mordecai Ezekiel, Felix Frankfurter, Nathan Margold, Charles E. Wyzanski, Jr., and Henry Morgenthau, Jr. Sidney Hillman, President of the Amalgamated Clothing Workers' Union; Rose Schneidermann, President of the Women's Trade Union League; and Dr. Leo Wolman are members of the Labor Advisory Board. Louis Kirstein, Boston merchant, and Gerard Swope, President of the General Electric Co., sit on the Industrial Advisory Board. David Lillienthal is Counsel for the Tennessee Valley Authority. Jerome Frank is Counsel for the Agricultural Relief. Attention is drawn to Roosevelt's close association with Jews long before he became President. When Governor of New York, Roosevelt, in elevating Samuel I. Rosenman to the New York Supreme Court, admitted he was 'cutting off my right arm.'"

Could the foregoing be "distinguished service" to Jewry by Roosevelt?

### FRANKFURTER MOST POWERFUL INDIVIDUAL

"Karl Marx" Prof. Frankfurter was referred to thus by Gen. Hugh Johnson in the Saturday Evening Post of Oct. 26, 1935: "He has more influence than any other single individual in the U. S." He was Roosevelt's choice for the U. S. Supreme Court—and is said by the N. Y. Herald-Tribune to have put 100 key-men in the Roosevelt Administration.

Roosevelt backed N. Y. Jewish Governor H. C. Lehman in the last state election. Sidney Hillman and David Dubinsky were selected as New York State Electors in the Presidential election of 1936. They head the "reddest" Jewish labor unions in the U. S., which backed the "C. I. O."

Jewish Congressman Sabbath of Illinois was Roosevelt's "special investigator" in the House, and Charles West was his "errand boy" between the White House and the Capitol.

Henry Morgenthau, Jr., son of the International Jewish Banker, has been appointed Roosevelt's Secretary of the Treasury and Dictator of the Secret Two Billion Dollar Foreign Exchange Equalization Gold Fund.

Jewish Boston Merchant Filene was credited with having imported the NRA from the Israel Moses Sieff "PEP" of Britain, financing it until Roosevelt took it over and forced the law through Congress, after which it was declared unconstitutional. Roosevelt frequently consults with Prof. H. J. Laski, Jewish Director of the British Communistic Fabian Society, as well as with court-packer Jewish Mayor LaGuardia of N. Y. City; and also Prof. Albert Einstein, expelled as a communist by Germany.

(Over)

Roosevelt appointed half-Jew W. C. Bullitt Ambassador to France in place of Jesse I. Strauss, and sent the Jew Lawrence A. Steinhardt, Samuel Untermyer's nephew, as ambassador to the Jewish Soviets. He wired congratulations to the President of the Jewish-ruled Soviets on Nov. 7, 1938, on the "18th anniversary of the revolution in Russia," where millions of Christians have been killed.

Could these be "distinguished services" to Jewry by Roosevelt?

#### JEWISH APPROVAL OF SUPREME COURT PACKING

The following is from the N. Y. Jewish National Day of May 11, 1937, approvingly quoting: "The Social Justice Committee of the Rabbinical Assembly (largest rabbi organization in America), favors the general tendency of the recently adopted social legislation, and in particular approves the scope of the TVA. It endorses the president's plan for the reorganization (packing) of the Supreme Court. It sends its heartiest best wishes to the Spanish Loyalist Government" (Communist-directed by Moscow Jews Morris Rosenberg and Bela Kuhn).

"The man behind the U. S. Supreme Court repacking process was Samuel I. Rosenman, New York Supreme Court Justice, little known but close friend of President Roosevelt," said Washington Correspondent Mallon in his syndicated article published in the newspapers Feb. 7, 1937.

"Distinguished Service to Jewry" by Roosevelt?

It may be recalled that this same Jewish paper on April 9th, 1936, editorially proclaimed: "The Jews of America constitute a great political force. They are going to exercise it as they see fit. What are you going to do about it?"

The celebrated independent British Economist Arthur Kitson said: "The aim of the International Jewish Financiers is world control by the creation of inextinguishable debt." Roosevelt, after promising to cut expenses, has raised the national debt to the towering record height of over 40 billion; and has spent more than the total government expenditures from the founding of the Republic to 1933.

Is creating unpayable Gentile debt (confiscation of capital) a "distinguished service to Jewry" by Roosevelt?

#### A COMMUNISTIC PARALLEL PROGRAM

The following quotations are from the Revolutionary Protocols of Communism and Socialism: "We shall create an intensified centralization of government. The most satisfactory government is one that concentrates in the hands of one person. The best results in government are attained by violence. Economic crises are produced by us by no other means than withdrawal of money from circulation. We shall raise wages, which, however, will not prove any advantage to workers, for at the same time we shall produce a rise in the cost of the necessities of life. Through the press we have gained the power to influence."

"Roosevelt has unprecedentedly centralized government in his own hands. He has withdrawn gold from circulation. During his regime more communistic strikes have occurred than ever before. He has forced wage advances, and raised the cost of living by destruction of crops. He has regimented the press. Unemployment remains at peak.

Has he thereby rendered "distinguished service to Jewry?"

Why has Roosevelt done these things. Has this man deliberately betrayed people, party and country to the Jews? Let's look at his personal record—his ancestry.

#### MANY JEWISH ANCESTRAL NAMES

On Page 639 of the 1939 World Almanac under the heading "U. S. Presidents and Their Wives," appears this: "Franklin Delano Roosevelt was the son of James Roosevelt, a direct descendant of Claes Martenzan van ROSENVELT, who arrived in New Amsterdam in 1649 and married Jannetje SAMUELS.

The Oct. 15, 1936, issue of "The Revealer," Wichita, Kan., reprinted "A genealogical chart prepared by the Carnegie Institute of Washington," which confirms the above, and then says that following the ancestors indicated came these names: Kunst, Jacobus, Hoffman, Hardenburg, then Isaac Roosevelt, to James Roosevelt—father of Franklin Delano Roosevelt.

The magazine goes on: "The N. Y. Times of Mar. 14, 1935, quotes President Roosevelt as saying: 'In the distant past my ancestors may have been Jews. All I know about the origin of the Roosevelt family is that they apparently descended from Claes Martenzan van Roosevelt, who came from Holland.'"

The following is from the book "The House of Roosevelt," by Paul Haber, 1936 edition: Claes Rosenvelt entered the clothing business in New York, and was married in 1682. He then changed his name to Nicholas Rosenvelt. Of his four sons, Isaac died young. Nicholas married Sarah Solomons. Jacobus married Catherina Hardenburg."

So, the "Distinguished Services to Jewry" were by Rosenvelt—A JEW.

According to the foregoing records, Roosevelt has not "betrayed HIS people." His throw-back blood-loyalty has been and is to Jewry First instead of America First; and we have the Key to the Mystery and confirmation of the Anti-Americanism of the leadership of the Jewish Economic System.

Lest We Forget! These Roosevelt medals are for "distinguished service," not to the U. S.—BUT TO JEWRY.

"WHAT ARE YOU GOING TO DO ABOUT IT?"

# War by Neutrality-Power

Senate Committee Told That Roosevelt Communistic Policies Have Brought the Republic to the Greatest Crisis in Its History.

Persistent Congressional meddling with neutrality laws is arousing new war-fears through the country, in connection with the insistent more-power-demand by the White House. Much of the sensational testimony before Congressional Committees is smothered from publicity. To the Brooklyn Tablet, a Catholic publication, of May 13, we are indebted for the following bold patriotic speech before the Senate Foreign Relations Committee May 2, 1939, protesting the placing of additional power in the hands of the President through neutrality manipulation and self-created emergencies. William J. Goodwin of New York said:

## THE PEOPLE SILENCED

"Without consulting the nation; without, apparently, conferring with Congress; without any authority but that which has been conceded to him in a series of laws meant to rescue us from financial disaster—we behold our Executive daily delving into foreign problems, adding to the clamor and excitement of European imbroglios, stirring up the rancor and hatred of nations with which we are supposed to be at peace.

"We find ourselves without any voice in the matter, at this very moment apparently lined up on the side of Communism. There can be no communion with Communism on part of the American Republic. The very thought of alliance with a dictator whose hands are stained with the blood of 20 million Christians, is abhorrent to multitudes of God-fearing Americans.

"The attempt to line us up on the side of Stalin in the European war which now seems threatening, THROWS A STARTLING LIGHT ON SOME OF THE PAST ACTIONS OF THE PRESENT ADMINISTRATION; puts a clear interpretation upon many more which, for the past six years, have caused some of us to wonder, to doubt, and to despair.

"WE BEGIN TO UNDERSTAND THE REASONS for the increasing burden of debt; the forced lowering of the standard of living; the constant harrassment of constructive, producing business men; the fooling of farmers by offering increased prices for lower volume, with no improvement in result; the unconstitutional concentration of power in Washington; the elimination of the functions both judiciary and legislative, combining all power in the Executive.

"This program has grown in a subtle deadly manner, and has served to pave the way for economic and financial collapse, and tendency toward Communist or totalitarian dictatorship.

"These statements may seem extreme, gentlemen, but it is time someone talked boldly. I sincerely question whether we may behold a Presidential election in 1940.

"As he stands today, buttressed by the very power which we resigned into his hands, the President could verily frame a crisis which would make him absolute dictator over night. With the aid of Communist sympathizers in Mexico, a border raid could be staged which would give the excuse for war. Communist labor riots in our large cities, might easily call for martial law.

"One man in the President's Cabinet, Henry Morgenthau, Jr., has enough power even now TO WRECK THE FINANCIAL WORLD IN FIVE MINUTES. No power could stop him, under the present legal set-up. He has absolute power over the Stabilization Fund of two billion dollars. No man in all history has ever had such power.

"There can be turned loose, at a moment's notice, such a tirade, a veritable torrent of propaganda by press and radio, as to create a crisis which would permit the President to seize dictatorial power. I am unalterably opposed to any changes in the present Neutrality Law—or the enactment of any law which might place additional power in the hands of the President. The liberties of the American people are at stake at this moment. The nation faces the greatest crisis in its history."

The question arises: Does the situation call for impeachment? The answer must be in the affirmative, in view of the foregoing and after summing up the Roosevelt red-wrecking record listed below. BUT, fearing personal or other reprisals, the Representatives of We, The People, at Washington, have not acted in defense of The Republic. Therefore, paraphrasing Senator Burton K. Wheeler's warning: "You cannot TRUST the Congress of the U. S."

Whose radical policies caused more Communist strikes than ever before recorded?

ROOSEVELT and his Jewish advisors!

Who promised to make America safe for investors, and then undermined all investment by uneconomic activities?

ROOSEVELT and his Jewish advisors!

Who promulgated the law for a tariff dictatorship in repudiation of Plank 4 of the Democratic Platform, pledging a tariff commission free from executive interference.

ROOSEVELT and his Jewish advisors!

Who bound finance and industry hand and foot with a "security paralysis act," and then demanded that profitless business raise wages, keep prices down and eliminate unemployment?

ROOSEVELT and his Jewish advisors.

Who repeatedly declared for sound money "at all hazards", then repudiated the gold clause agreement in U. S. Government obligations, and gave us a fifty-nine-cent dollar?

ROOSEVELT and his Jewish advisors.

Who denounced bureaucracy and promised drastic governmental savings, and then enlarged the former to unprecedented proportions, raised the national debt to astronomical highs, and enormously added to confiscatory taxation that destroys working-capital?

Who forced through laws providing for new collectivistic power facilities in the face of giant over-capacity already in existence in the utility field?

ROOSEVELT and his Jewish advisors!

Who introduced the unconstitutional NRA law, regimenting industry and labor, promoting monopoly and decreeing economic death to thousands of small businessmen?

ROOSEVELT and his Jewish advisors.

Who introduced the unconstitutional EZEKIEL AAA Law, regimenting farmers, destroying crops and slaughtering livestock in time of want?

ROOSEVELT and his Jewish advisors.

Who put on the statute books the treaty for the recognition of the Communist Soviet Government, which is Jewish-Radical, subverting American liberties by alien conspiracies?

ROOSEVELT and his Jewish advisors.

Who has placed in political key positions more Jewish revolutionary and Communistic radicals than any other administration in American history?

ROOSEVELT and his Jewish advisors.

Who packed and Frankfurterized the United States Supreme Court, bulwark of American liberties, after trying to destroy it by enlargement?

ROOSEVELT and his Jewish advisors.

Who violated state sovereignty and communistically suppressed and fascistically centralized power-politics in the U. S.?

ROOSEVELT and his Jewish advisors.

Roosevelt demanded and was voted practically supreme authority over We, The People. His actions give aid and comfort to the Communistic enemies of The Republic. Responsibility rests where power lies.

## FOREWORD

By The Editor

---

Four centuries have passed since Martin Luther wrote the words reproduced in this pamphlet. By the light of current developments, he was a true prophet. In the forceful language that was his, he urged his fellow-countrymen to rid the body politic of a fatal alien element. **They are now doing it.**

Bishop Martin Sasse of Eisenach, the Town of the Wartburg where Luther was confined for his own protection in 1521, has graphically herein presented the fiery Lutheran eloquence. It may help the world to solve the Jewish Plague Problem.

The Economic Power of Jewry is being smashed in Germany. **Jewish POLITICAL domination has been collapsed as a natural sequel.** Witnessing this miraculous spectacle of liberation from materialistic monopoly, other subverted nations are certain today to heed the words of the warning prophet of the Sixteenth Century who, before his eyes were open, was a friend of the Jews; but, driven by conscience, experience and reality, he became the greatest "anti-Semite" of his time.

Since the **acid test** of prophecy is fulfillment, thunderously reverberating down the Corridor of Time this Mighty Voice from the Past will be far more potent than the puny words and wails of Jewry, its International Fellow Travelers and its Gentile Front Jews' Harps, those Judases who shamelessly proclaim to a bewildered and distressed world their soul-betrayal for a few shekels of silver.

### JESUS CHRIST TO THE JEWS IN JOHN 8:44

"Ye are of your father, **the devil**, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth because **there is no truth in him.** When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it."

# LUTHER DENOUNCES JEWS AS LIARS - THIEVES - MURDERERS

The Jews are in sooth liars and bloodhounds. All their sighing, longing and hoping mean that they would fain treat us as they treated the heathen of Esther's time in Persia.

**There is no more bloodthirsty nor vengeful people on whom the sun has ever shined.** They imagine that, as God's Chosen People, they should, nay **must** slay and murder. They expect, as the fulfillment of their hope in their Messiah, that he will bring murder to the whole world, and **cause it to perish by their sword.** They have proven this to us Christians throughout the world from the beginning; and are still ready to do it wherever they can. (W-53, p. 443).

Therefore, dear Christian, **beware** of such damnable people, whom God has allowed to sink to such depths of abomination and lies; for, whatsoever they do and speak, **however fair it may seem,** is naught but lying, vice and wickedness. (W-53, p. 434).

Throughout the rule of the people of Israel and Juda their single purpose has been to blaspheme the Word of God, to persecute, to mock and to destroy His prophets. Such a people, according to the testimony of history, can only be called the murderers of prophets and enemies of the Word of God. (W-53, p. 436)

They are filled with all wickedness, covetousness, envy and hatred toward one another—with arrogance, love of usury, pride and cursings against us. (W-53, p. 442).

## SYNAGOGUES NESTS OF DEVILS

Therefore **beware of the Jews,** and know that wheresoever they have their schools (synagogues), in that place is naught but a **nest of devils.** In these are practiced self-glorification, arrogance, lies and vices, dishonor to God and men. Wherever thou hearest a Jew giving instructions, think only that thou hearest a **poisonous basilisk,** who with his very glance poisons and slays men.

**This people is possessed of the devil.** Their breath stinks of the gold and silver of the heathen. **There has been no more avaricious people under the sun than they are and continue to be,** as their accursed usury proves.

They console themselves that when their Messiah shall come, he will take the gold and silver of the whole world and divide it among them. **For the Jews are more covetous of gold and silver than any people on earth.** (W-53, pp. 477-8).

Therefore, dear Christian, **beware of the Jews,** whom God in his wrath has delivered to the devil. When thou seest a Jew, make the sign of the cross, and say freely and with assurance; **There walks a devil incarnate.** (W-53, p. 479).

From their youth they have imbibed such hatred of the Goyim (Gentiles) from their parents and rabbis, and still imbibe it without ceasing, that it has filled their flesh and blood and the marrow of their bones, till it has become **nature itself** to them.

## JEWS CANNOT CHANGE

Moreover, as little as they can change their flesh and blood, even so little can they change such pride and envy. So they must remain, and perish. (W-53, p. 481).

Therefore, dear Christian, know and doubt not that, after the devil **thou has no more bitter, poisonous or vehement enemy than a Jew.**

If they perform some good thing, know that it is not done from love, nor for thy benefit; but because they must needs perform it that they may have a place to live among us. But their heart in them remains as I have told thee.

They must make their home in our midst, under the shelter of our protection, and use our land and streets and lanes. Meanwhile our princes and authorities sit and snore with open mouths, leaving their purses and treasure chests open for the Jews to pilfer. They suffer themselves and their subjects to be **ground down and drained dry by Jewish usury,** and to be turned into beggars.

The Jews, as foreigners, should in sooth possess nothing. That which they possess must of a surety **belong to us.** In this manner, they labor not. We bestow no gifts upon them. **Nevertheless, they possess our money and our property, and are therefore lords over us in our own land.**

## JEWISH USURER IS GLORIFIED

If a thief steals ten guilders, he must hang; if he robs in the street, he forfeits his head; but if a Jew steals and plunders ten tons of gold with his usury, **he is dearer to the princes than is God himself.** The Jews prove this when they cheerfully vaunt themselves, saying: We labor not. The days of our idleness are good. The accursed Goyim must labor for us. But we obtain their money. **Thereby we become their lords, and they our servants.** (W-53, pp. 482-3).

How fine and fat and a lie it is, with which they lament that they are our prisoners. Even today we know not what devil brought them into our land. We did not bring them from Jerusalem. **Moreover, no one is holding them now.** Country and highways are open to them. They may go to their own

land whenever they wish. We would gladly give them gifts, **that we might be rid of them**; for they are a heavy burden to us, even as a **plague**, pestilence or dire calamity over our land. (W-53, p. 520).

They let us toil in the sweat of our faces to earn our money and goods, the while they sit by their fireplaces idling in soft living and prosperity from the fruits of our labor; mocking us and spitting at us. Thus, **they are our masters**, and we their servants, with our own goods, our sweat and our labor. Surely, if the devil can enjoy so fine a paradise among us Christians, he may dance with glee that through the Jews, his holy ones, he consumes what is ours.

### JEW'S PROSPEROUS PRISONERS

They could not have known such days of prosperity in Jerusalem under David and Solomon amidst their own belongings as they now know amidst ours. Yet they complain that we have made them prisoners. (W-53, p. 521)

**We are to blame that we do not avenge the great and innocent blood of our Lord, which they shed, and of Christians, after the destruction of Jerusalem to the present time.** (W-53, p. 522)

Their Talmud and their rabbis teach that to kill is not a sin **if a Jew shall kill a heathen**; but only if he shall kill a brother in Israel. If he shall violate his oath to a heathen, **it is no sin**. Likewise to steal and rob—as they do to the Goyim **by usury**—is a **service** unto God.

The Jews hold fast to such teaching even to this day, and do as their fathers did. They pervert the Word of God, are avaricious, practice usury, steal and murder wherever they can; and teach their children to do likewise forever and ever. (W-53, pp. 489-491)

Does any man think I say too much? **I say not too much, but too little.** For I behold their writings. They curse us Goyim and wish us all manner of evil in their schools (synagogues) and in their prayers. **They rob us of our money and our belongings by usury**; and, wherever they can, show all manner of wicked malice toward us. And of all things the worst, they think they have thereby acted **righteously**; that they have done a service to God. (W-53, p. 491)

They are full of sorceries. They are nothing but robbers who each day eat not a morsel nor wear a thread on their bodies that they have not **taken from us through their damnable usury**. A usurer is an arrant thief, who should swing from the gallows seven times higher than other thieves. (W-53, p. 502)

### THEIR MESSIAH TO SLAY GENTILES

They prescribe to God the manner in which he is to free them—in this wise: He is to let us Goyim all be slain and annihilated through their Messiah, **that they may obtain lordship over the land and possessions of all the earth**. They desire that sword and war, fear and all manner of misfortune may befall us. Such are the curses they utter each Saturday openly in schools (synagogues). They teach their children to remain bitter, wicked and poisonous enemies of the Christians. (W-53, p. 520).

What have we Christians to do with this reprobate and damnable Jewish people? Put up with them we cannot, since we know them guilty of lies, vices and curses—**else we become partners in their viciousness**. I will give my honest counsel (W-53, p. 522):

(1) **Set fire to their synagogues.** On that which will not burn, pile earth and heap it, that no man see stone nor ashes of it forevermore. This shall be done to the glory of our Lord and of Christianity; that God may see that we are Christians; that we have neither suffered knowingly nor consented to such lies, curses and slanderings of his Son. For that which we have hitherto allowed through our ignorance (**I myself was ignorant**), God will forgive us.

But now if, despite our knowledge of these things, we should shield and protect such a house for the Jews, under our very noses, **it would be nothing better than if we were to do these things ourselves.** (W-53, p. 523)

(2) Break up and destroy their houses likewise, for they practice the same things in them as in their schools (synagogues).

(3) Take from them all their prayer-books and their Talmud, with their teachings of idolatry, curses and blasphemy.

(4) Forbid their rabbis to teach henceforth, on penalty of death.

(5) Take away wholly from them safe conduct on the roads, for there is no place for them in the land. They should stay at home. If ye princes and lords will not in due order forbid them the streets to such usurers, **I would fain gather a body of horsemen against them**; for they will learn from **this book** what manner of people the Jews are, how they should be treated, and that they should not have our protection.

(6) **Forbid them to practice usury, and take from them all money and treasure of silver and gold; for all that they possess they have obtained from us by robbing and stealing with their usury.**

(7) Put into the hands of the young, strong Jews and Jewesses flail, axe, mattock, spade, distaff, spindle, and let them earn their bread in the sweat of their brow.

### AWAY WITH THE USURERS

But if it grieves us that they would harm our persons, our wives, our children, our servants, our cattle, let us balance our account with them for that **which they have extorted from us by usury**, and cast them forth from the land forever. (W-53, p. 526)

I hear men say that the Jews give great sums of money and are thereby useful to the rulers. To be sure, **whence do they give it? Not of their own, but of the goods of their rulers and the subjects**, which they obtain through stealing and **robbing by usury**. Small wonder then if the impious Jews laugh in their sleeves that we let them ape us and make fools of us so shamefully, and that we give our money that they may remain in the land and practice all manner of wickedness. (W-53, p. 526)

And you, my dear sirs and my friends—for such are pastors and preachers—would I in all faithfulness remind you of your offices, that ye likewise **warn your flocks**—that they **beware of the Jews** and shun them. (W-53, p. 527)

### WARNING NOT TO STRENGTHEN THE JEWS

So we must give heed not to strengthen them in their bold lies, their vices, cursings and profanities; nor partake of their devilish fury and rage through shielding and protecting them. So impious, so wicked through and through, so utterly poisoned, **so filled with the devil are the Jews**, who for 1400 years have been a plague and pestilence and **all manner of misfortune to us**.

Especially in such places in which ye may be preachers, where there are Jews, exhort your lords and rulers that they be mindful of their offices, as is their debt to God; **that they compel the Jews to work and that they forbid usury**. (W-53, p. 529)

If we are to keep ourselves unspotted from the blasphemies of the Jews, and not be partakers in these, we must separate from them, **and they must be driven out from our land**. That is the first and foremost counsel.

In their unwillingness to leave the land, there is nothing they will not deny; and, moreover, they will **offer the lords of the land money plentifully** that they may be allowed to remain. But woe to them that take such money! **Cursed be such money!** (W-53, p. 538)

### THE DUTY OF THE STATE

I hope and entreat that our overlords who have Jews under them, may show a mercy that is severe toward these miserable people, even as good physicians do. When gangrene is present they go about their work pitilessly. They cut, saw and burn away flesh, veins, bone and marrow. **Let the same be done likewise in this case**. Burn their synagogues; forbid all those things that I have recounted. Compel them to work. If that is of no avail, **we must drive them out like mad dogs**.

I have done what I am able. Make every man do likewise. I am absolved. Finally, of myself I will say: Were God willing to give me no other Messiah than him whom the Jews desire and demand, **I would rather be a sow than a man**. The Jews desire nothing of their Messiah than that he should be a worldly king, to slay us Christians, to divide the world among the Jews, and to make them lords.

The Jews are young devils, condemned to Hell. (E-32, p. 276)

Howbeit, there may perchance be one of the charitable saints among us Christians who thinks my conduct too coarse and unseemly toward the Jews, in that I treat them with such derision and scorn. I am far too insignificant to deride such devils. I would do so gladly, but they are too far my superiors in **derision**. **Moreover, they have a god who is master of derision**. (E-32, p. 286)

### JEWS MUST BE THE DREGS

If there were nothing other than the Old Testament I would conclude that the Jews of this present time must be the dregs of all loose and evil fellows, who have come together from the whole world. They have scattered hither and thither into the lands **to oppress the people with usury**; to **spy** out the lands; to betray; to poison the water; **to cheat**; to steal children and do all manner of murderous deeds. (From "Schem Hamphoras and The Lineage of Christ" 1543).

If I baptize a Jew I will lead him to the bridge over the Elbe, **hang a stone** around his neck, cast him down, and say: I baptize thee in the name of Abraham (Table Talk 1795).

Jews who pretend to be physicians rob these Christians who use their medicaments, of body and belongings. Indeed, they think they are doing a service to God if they greatly torment the Christians and secretly take their lives. (E-62, p. 367)

### LUTHER'S LAST SERMON WARNING AGAINST THE JEWS

Ye still have the Jews in the land, and they do great harm. Therefore, my lords, ye should not suffer them, **but drive them hence**. They are our avowed enemies. If they could kill us all, they would gladly do so. Wherefore, **be not entangled with them**, who do nothing else among you but abominably blaspheme our Lord Jesus Christ, seeking our bodies, our lives, our honor and our possessions. (E-65, p. 189.)

## Addenda

The reader will observe that Martin Luther persistently dwelt upon and prophetically denounced as a paramount evil the anti-Gentile **USURY SYSTEM** of the Jews and their inherent love of money, because it impoverished the people and threw them into profound misery. ("Unto a stranger thou mayest lend upon usury"—Deuteronomy 19:20.)

From the inception of my Jew-exposure campaign in 1934, as an economist I have unfalteringly maintained that the Jewish Problem in solution is **economic**—monetary, financial. Usurious interest creates unpayable debt.

Here is a world-famous religious teacher who emphasises the fact that the Jewish Problem in solution is **ECONOMIC**.

Recorded history from since before Christ to this very hour, supports that thesis. Therefore, **smash the Jewish Capitalistic System** and the Jewish Problem will be solved because the "terrible power of the purse" sequentially collapses and political freedom automatically ensues.

That conception holds me steadfast to the Power-Policy—Publicly Expose and denounce False Jewish Leadership for what it is materialistically **DOING** to destroy Gentile Peoples.

The Edmondson Documented Jew-Exposure Power-Publicity Campaign is **not** an "Anti-Semitic" Crusade against individuals, a race or a religion. It is essentially a **patriotic defence-action** against Jewish politico-economic Anti-Americanism.

My peace-plan of defense-action is: Buy Gentile! Vote Gentile! Employ Gentile! Free the Press, the Air and the Movies. **Purge the Channels of Education!** Lincoln said: "I have faith in the people; let them **KNOW THE TRUTH**—and the country is **SAFE**." Like him, I am for free speech ballots, **not bullets**.

What is the solution of the Jewish Problem? Disfranchisement of an unassimilable people whose international ideologies constitute a danger to the peace and safety of every Gentile state; followed by international deportation of wealthy World Jewry to the **Island of Madagascar** off the southeast coast of Africa, where it will find ample and healthful "Homeland" facilities to practice its "Way of Life", provided it is willing to **work** instead of trying to create a slave-world under Jewish suzerainty. **This would be in furtherance of Zionist Leader Herzl's Plan for a Jewish Political State.**

duty, without malice. And, as to **dependable judgment**, I quote from the record of your book: "I Saw Hitler", as follows:

"When I walked into Adolph Hitler's room I was convinced that I was meeting the future dictator of Germany. In something less than fifty seconds, I WAS QUITE SURE THAT I WAS NOT. \* \* \* He is the very prototype of **The Little Man**".

Now, perhaps you don't know it, but Hitler has resurrected, re-created and enlarged Germany, abolished unemployment, and leads the victorious anti-Communist Nationalist Bloc of Germany-Italy-Spain-Hungary; and, in addition, is evidently **Dictator of The Peace in Europe**.

Let us examine **your** public record further. I quote from the N. Y. Herald-Tribune of Mar. 14, 1938—about a year ago—your prediction that "Chamberlain will be as dead as Austrian freedom in a very short time". That was a year ago. Hasn't "the very short time" expired? Chamberlain is stronger than ever, having been **repeatedly given votes of confidence**, and won in four by-elections in the last few months, defeating the Red Duchess Atholl in her own bailiwick.

Your prognostications don't seem to pan out, Miss Thompson. Therefore, I can't recommend you to my correspondents as an efficient political commentator, in view of the foregoing. And certainly, I can't endorse your economic views after reading in the N. Y. Herald-Tribune of Jan. 10, 1938, your confession: "The President of A CIO UNION—**TO WHICH I HAPPEN TO BELONG**"—the Communist American Newspaper Guild Union which put all the daily newspapers of Wilkesbarre, Penna., out of business by revolutionary demands impossible to meet.

I have read with interest the Brooklyn Tablet editorial (2-18-38), viz.: "Dotty' Thompson, wife of Sinclair Lewis, commentator on everything and anything, 'specialist' on foreign affairs, needs a course in logic." And, considering the record quoted, I have concluded to "copper" your prediction (8-13-39) about the imminent overthrow of Hitler, in which you **ridicule** the expression "After Hitler, Communism!"—noting that the Chicago **JEWISH SENTINEL** (8-25-38), prophesied: "After Hitler, **THE VICTORY OF COMMUNISM WILL COME**."

I suppose the only thing to do, since you will neither deny nor affirm that you or your husband have Jewish blood; or that your first husband, Josef Bard, of Austria, was Jewish, we must use our own judgment. Until the American Hebrew of June 18, 1937, printed your husband's statement that his legal name was Sinclair Levy, I had not given a thought to your blood-ancestry, dismissing questions with the adjective "Jewish"—which may mean a little more than "pro-Jew", minus blood-relationship. Now, I find "America in Danger", an Omaha, Neb., publication, quoting the American Hebrew again (1-13-39 issue) to the effect that it lists YOU on its Jewish Honor Roll with Albert Einstein. Oi!

The Patriotic Research Bureau of Chicago, Feb. 23, 1939, issue, publishes the following Dorothy Thompson record: "The Communist magazine 'New Masses' (Jewish-edited), of September, 1937, recommended her book 'Anarchy or Organization'. The Daily Worker (4-4-38), Communist Daily (Jewish-incorporated), listed her as a signer of an appeal for lifting of the arms embargo against Loyalist Spain." International Jewry announced its support of the Loyalists (N. Y. American 4-4-36). You defended the Jew murderer of the German vom Rath. You have attacked Rev. C. E. Coughlin for his documentary Jew-exposures—just as you did mine—and then apologized for unjustifiable exaggerations (Herald-Tribune 7-23-36).

And I observe, from the N. Y. Herald-Tribune (2-21-39) that you selected Ethel MOSES to accompany you to the German-American Madison Square Garden mass-meeting February 20, where you are reported as having disturbed the peaceful assemblage with raucous laughs—like a street brawler trying to stop Free Speech—and doing it under the immunity of **The Press Bench**, until ejected amid the indignation of the audience.

How are the 'mighty' fallen! Horace Greeley must be turning over in his Tribune grave. "Our Precious Dorothy"—using the term applied by a Jewish writer to a New York daily—evidently can't "take it", although she freely dishes it out—according to the letter of Mar. 3 to me, and the foregoing record.

I have before me a copy of a letter of Feb. 24, 1939, written to the N. Y. Herald-Tribune, signed by a well-known New York lawyer, viz.: "We readers wonder if Dorothy Thompson is entirely ignorant of the fact that **the Jews first attacked German-Americans by a boycott**. Is it not possible that this provoked **retaliatory** activity? May we also ask her to cite to us **one instance where the Jews**, holding their meetings in this country, **have been molested or even threatened by the Germans?**"

This communication is published under the authority of Free Speech guarantees and the "policy of our law to permit the widest latitude in the discussions of makers of political or public interest", as indicated, for example, by Section 1342 of the N. Y. State Penal Law as to what is and what is not libelous, viz.: "Publication is excused when it is honestly made, in the belief of its truth and upon reasonable grounds for this belief, and consists of fair comment upon the conduct of a person **IN RESPECT OF PUBLIC AFFAIRS**".

# "AMERICAN VIGILANTE" BULLETINS

(Millions in Circulation)

Suppressed Records of Fact and Authority, Showing That Communism and Socialism Are Jewish in Origin and Direction.

## A PATRIOTIC DEFENSE CRUSADE

The Edmondson Jew-Exposure Publicity Campaign is not an Anti-Semitic Crusade against a race or a religion. It is essentially a patriotic defence-action against Jewish politico-economic Anti-Americanism—see public acts of the Democratic Roosevelt-Baruch-Frankfurter-Morgenthau Regime. All Jew-exposures are documented.

The author is not against Jews on the grounds of Religion, Race or as Individuals, but because the Jewish Socialistic System is using High Finance, Communism and other revolutionary agencies, with The Press, to communize the American Representative Republic, National Patriotism and Western Civilization for the benefit of International Jewry. All Jews are not deliberately subversive, but all are under a false materialistic master-control which victimizes its own people—the greatest regimented and exploited solidarity in the world.

The Jewish Question is neither racial nor religious in America. It is ECONOMIC. By sinister usurpation of key-posts the International Jewish System has obtained control of our Financial Dynamo, New York, and of our Warburg-created Federal Reserve, which has enabled it to dominate our Political Power Center, Washington, aided by advertising-subversion of the Press. The secret of continuous alien control lies in the fact that key-post Jews are on both sides, promoting by "high finance" the strategy of "Divide and Rule" both Republican and Democratic Parties. The rank and file of Americans do not yet realize that the whole country is invisibly governed by foreigners through the "terrible power of the purse."

## NO COMPROMISE POLICY

Without ambition except to be of service to my country, I cater to no leadership complex. I have never shirked responsibility—and shall not now in this super-crisis. Believing circumstances create and draft true leaders, I am ready to cooperate with any patriotic group not wasting time with effects. I follow no policy that takes counsel with fear and compromise. No important issue was ever won by ignoring the Truth. In this self-preservation fight, pussyfooting or diversion is suicide, for patriotism has a "Rendezvous With Death." Identify the enemy—and attack!

So far as they may be patriotic uprisings against internationalization, I endorse Italian and Russian Fascism, German Nazism, Spanish Insurgency and Japanese Nationalism, for those countries; but for the U. S. I am for Militant Vigilante Patriotic Individualistic Americanism.

What is the remedy? My plan of individualistic defense-action is in brevity: Buy Gentile! Employ Gentile! Vote Gentile! Free the Press, the Air, the Screen. Purge the Channels of Education, the blinded churches and the Jew-penetrated and diverted societies from the materialistic octopus that is strangling them. No subversive minority can withstand such a peaceful self-preservation majority-boycott. I am for free speech ballots, not Communistic bullets. By public enlightenment bloodshed can be avoided. Let the people know the Truth—They will act to Rescue The Republic.

## EDMONDSON CASE DISMISSED

Upon Jewish instigation, Department of Justice Agents from Washington investigated the publishing activities of the Edmondson Service, and found that it is exercising the constitutional right of free speech and free press. U. S. Post Office Inspectors have examined its operations, and never denied its product mailing privileges in any way.

Nevertheless, for publishing the Jewish confession-record of plans to communize America, the author was indicted June 11, 1936, by a New York City Jewish-Majority Grand

Jury, at the instigation of Jewish Mayor LaGuardia, on a charge of "libeling all persons of the Jewish Religion", which he never attacked as such. Getting "cold feet" because the Princes of Jewry had been boldly subpoenaed to testify for the defendant, the American Jewish Congress et al on Apr. 14, 1938, petitioned to dismiss the case on the ground that there was no group libel law and that Free Speech was unconstitutionally attacked by the indictment. On May 10, 1938, the case was thrown out of court.

Since EVERY ONE of the many "relief motions" made by the defendant during 22 months delay were UNFORMALLY denied, this retreat was forced, NOT by a Court of Law, but by "The Great Power of The Press" through Defense Pamphlets dramatically exposing the LAW WEAKNESS of the prosecution.

This celebrated decision points the way and blazes the Liberation Trail for Americans. With safety patriots may openly exercise the Constitutional right of Free Speech and publicly attack Communistic Jewry collectively; and may also expose the anti-American public ACTS of individual Jews, so long as their personal integrity is not wantonly assailed. Publicity is the only cure.

## CIRCULATION OF BULLETINS NEEDED

The chief objective of this brevity publicity is to have patriots send for more bulletins and distribute them in an endless chain of counter-revolutionaries, TO SAVE THE REPUBLIC!

Send postage for samples of American Vigilante patriotic service bulletins. Regular monthly donations of \$1 will bring all new issues—8 to 12 monthly, mailed weekly. Extra bulletins supplied at cost of one cent contribution per copy, plus forwarding charges. All remittances accepted ONLY as unconditional voluntary contributions. ## "RESCUE THE REPUBLIC!"

(Telegram)

Stoddartsville, Penna., March 29, 1939.

To Gen. George Van Horn Moseley  
Atlanta Biltmore Hotel, Atlanta, Ga.

Loyal Americans salute a great soldier-patriot! The bold crossing of the Rubicon at Philadelphia will make history. Honor and homage to the courage which selflessly answered the call to service for God, Home and Country. I offer the Watchword: "Rescue The Republic!"

(Signed) ROBERT EDWARD EDMONDSON

Dear General Moseley:

I have just wired you congratulations as follows: (See copy of telegram above).

Your Philadelphia Jew-exposure speech is that of a statesman who has burned his bridges. Only such statesmanship can win in this no-compromise war. It is a vigilante summons to loyal citizens to rally to competent leadership.

The Home of the Immortal Declaration of '76; the Birthplace of the "greatest document ever struck off by the brain and hand of man"; and under the shadow of the Philadelphia Liberty Bell—what more fitting atmosphere could be selected in which to proclaim a New Declaration of Independence—from the communization of anti-National World Jewry?

"There is a tide in the affairs of men which, taken at its flood, leads on"—To Victory!

I published this May 24, 1937: "Without ambition except to be of service to my country, I am ready to co-operate with any patriotic group not wasting time with effects. I will follow no policy that takes counsel with fear and compromise. No important issue was ever won by ignoring The Truth. In this self-preservation fight, pussyfooting is suicide, for 'We have a Rendezvous with Death'. America has always publicly identified its enemies heretofore—why not now?"

Along those lines, in this defense-war you therefore command my patriotic backing to the last ditch, for the reasons below enumerated, and in accord with my Washington's Birthday letter to you, viz.: "In your fight for Christian Americanism you have my strongest admiration and support, AND MORE SO AS YOU USE THE THREE-LETTER NAME (J-E-W) in broadcasting to our fellow-countrymen the identity of the real enemy; so that they, now blinded, may know who, where and how to hit hard enough to destroy Jewish anti-Americanism."

(1) Without weasel words or equivocation, you have fearlessly identified, like a straight-shooting American officer and gentleman, the real enemies of The Republic, in an exposure that is a clarion call to battle.

(Over)

(2) Your record of practical service to the Nation eminently fits you for effective leadership since you are informed as to the essentials of the existing crisis.

(3) And because—be it NOT overlooked—in this world war of National Patriotism against Internationalization, **SOLDIER-PATRIOT LEADERS LIKE YOURSELF SAVED GERMANY, ITALY, JAPAN, SPAIN, FROM ANNIHILATION.**

"Timid Souls may be satisfied with a Starveling Peace; but the decent destiny of Mankind lies in the hands of those who will FIGHT for it."

Millions of fighting Americans, now informed as to **The Cause** of their suppression and suffering, impatiently await fearless, selfless, able leadership to coalesce into a mighty liberation army. This is not impassioned wishful thinking. It is based on first-hand contact with every quarter of the country. These vigilant legions have been crying for "The Leader" who will show them how to drive the invader into the Atlantic and Pacific.

Your demonstrated independence is typical of that unbeatable individualistic and resourceful Americanism which conquered the Continent. The Enemy Master Smear-Factory's attacks on you prove that you constitute a great danger to the subversive Plans of Jewry, which dominates the Press that discredits your motives. The foe realizes that materialistic weapons are fatally futile before an indomitable will and a consecrated spirit—invulnerable armour in a righteous cause like ours.

In this great redemption crusade to Restore The Republic, we patriots know that you have already laid your life, your fortune and your sacred honor on the Altar of American Patriotism. Can we do less?

**Hail Moseley!**

God Give us MEN! The Time demands  
Strong Minds, Great Hearts, True Faith and Willing Hands;  
Men whom the lust of office does not kill;  
Men whom the spoils of office cannot buy;  
Men who possess Opinions and A Will;

# COUGHLIN A CONSPIRACY VICTIM?

Radio Denial To Clergyman of Jew-Exposure Free Speech may be Legal "Oppression" Under U. S. Criminal Code, Section 19, Providing for Ten-Year Imprisonment.

The following is self-explanatory:

## LETTER TO REV. CHARLES E. COUGHLIN

Rev. Charles E. Coughlin,  
Royal Oak,  
Mich.

Dear Sir:

In connection with your Jewish Communist radio addresses, I note that President Neville Miller of the National Assn. of Broadcasters, is quoted in the New York Herald-Tribune of Dec. 22, 1938, as holding that broadcasters are "well within their rights to refuse to broadcast a speech likely to stir up religious prejudice" on the ground that it is "an abuse of the privilege of Free Speech."

The implications of this are that broadcasters evidently usurp the judicial right to determine (1) whether it is a legal offense to "stir up prejudice"; (2) what IS a violation of Free Speech doctrine; (3) exactly what constitutes incitement-agitation, justified or not; (4) whether or not Free Speech is a privilege or a right guaranteed by and exercised in accord with the Constitution of the U. S.

Perhaps my own actual court experience may be of assistance in this connection. The flat Jewish denial to you of Free Speech via national government licensed publicity channels cannot be otherwise than an official violation of the constitutional guarantee—in consideration of which fundamental right the American Jewish Congress found it advisable to petition a New York court to dismiss an indictment against me instigated by Jewish Mayor LaGuardia and brought by a Jewish-majority Grand Jury, alleging that the Jew-exposure publicity of the defendant was "a libel of and concerning all persons of the Jewish Religion," notwithstanding the fact that said publicity consisted only in branding Jewish Communism as anti-Americanism.

While I handle the Jewish Communist Problem from the angle of economics and politics as an economist and political commentator, and you, as a clergyman, are conducting a "religious analysis" on the same subject because of Jewish subversions in American life, both presentations are in patriotic exercise of the inalienable right of orderly Free Speech, defensively exposing a public evil as a matter of duty and loyalty.

On this subject I stand with a great American Educator, Horace Mann, who said:

"I hold treason against Free Speech to be incomparably greater than treason to government," adding: "On the face of it, it must be a BAD cause which will not bear discussion. Truth seeks light. HE CONVICTS HIMSELF OF WRONG who refuses to hear the arguments of his opponents. In this government it is not tolerable for any man, however high, or for any body of men, however large, TO PRESCRIBE WHAT SUBJECTS MAY BE AGITATED. Such proscription is at best a species of LYNCH LAW AGAINST FREE SPEECH."

Mr. Miller includes in his remarks:

"The situation parallels the example once given by the late Justice Oliver Wendell Holmes of the U. S. Supreme Court, where he declared that Free Speech did not give a man the right to yell 'fire' in a crowded theater."

## JUSTICE HOLMES AND FREE SPEECH

How absurd! Judicial "by-talk"—of no legal value! But Mr. Miller omitted to say that the same Justice, in the 1919 case of Abrams vs. U. S., made the following measured statement:

"We should be eternally vigilant against attempts to check the expression of opinions that we believe to be fraught with death, unless they so imminently threaten immediate interference with the lawful and pressing purposes of the law that an immediate check is required to save the country."

Certainly such an acute emergency "fire" did not exist during your addresses.

The Frankfurter American Civil Liberties Union, supporting the American Jewish Congress petition to dismiss the Edmondson Case because of the Free Speech issue involved, said:

"The liberties of expression guaranteed by the Constitution are not limited to any particular field. They include the right to express opinion upon any subject, political, social or religious."

And, buttressing this declaration, it quoted from U. S. Supreme Court Jewish Justice Brandeis' opinion in the Whitney vs. California case, 274, U. S., 357, 377, as below:

"If there be time to expose through discussion the falsehood and fallacies, to avert the evil by the processes of education, THE REMEDY TO BE APPLIED IS MORE SPEECH—NOT ENFORCED SILENCE."

As I interpret your motives and objectives, you also desire "more speech" to enlighten the people and let them judge; but are denied by the Jewish-controlled press—subjugated by the "terrible power of the purse."

But here is a prize proclamation from the American Rabbinical Assembly of America, June 15, 1934:

"We believe in and proclaim anew the right of every individual to have perfect liberty of conscience AND FREEDOM OF UTTERANCE in all matter of RELIGIOUS, social, economic and political import."

Jews do not seem to like to practice what they preach. They want Free Speech for themselves, but not for us Gentiles. WHY? They apply "lynch law" to your documentary exposures of their subversions—which defensive agitation I have followed with keen interest and appreciation because they are from the factual record, which has been repeatedly suppressed by Jews down the path of history, according to my investigations.

Section 19, U. S. Criminal Code, provides: "If two or more persons conspire to injure, oppress, threaten or intimidate any citizen in the free exercise of any right or privilege secured to him by the Constitution of the U. S., or because of his so having exercised the same, they shall be fined not more than \$5,000 and imprisoned for not more than ten years, and shall, moreover, thereafter be ineligible to any office, or place of honor, profit or trust created by the Constitution or laws of the U. S."

The foregoing suggests that you have cause for action against the radio stations that bar you from the air.

### FASCISM A PATRIOTIC DEFENSE WEAPON

As an American patriot, for our country I stand irrevocably for Americanism, but I congratulate you on your discernment in holding that Fascism and Nazism are "defense-mechanisms against Communism." I regard Fascism and Nazism as antidotes to Jewish Communism. They represent the only available patriotic defense-weapon in a self-preservation fight that has been practically bloodless. As you say, "When the house is afire—as is the House of our Civilization today—we dispense with gratifying our vanities, and call in the fire department." You aptly epitomize the matter in declaring that Germany, for instance, "has not resorted officially to the guillotine, the machine-gun or the kerosene-drenched pit," as in Spain and Russia.

Fascism is "an effect," as you say, of Communism, which, in turn, is a tool used by International Jewry's false leadership to "Deceive-Confuse-Collapse" Gentiledom in an insane lust for materialistic domination of the world. Briefly, Italian Fascism is Militant Italian Patriotism in loyal-defense action; Nazism is German Patriotism, embattled for God, Home and Country—just as Vigilant Americanism symbolizes our Patriotism on guard for The Republic.

In this connection I am happy as a newspaper veteran to acclaim your denunciation of the Conspiracy of Silence of the controlled press, wherein you say that "future generations will regard" the Communistic persecutions of Russia and Spain as the "WORST ATROCITIES OF ALL TIME." And at the appointed hour the treasonable negligence of the kept men of the press will be held to strict accountability in America.

It was with much appreciation that I noted your declaration that tolerance becomes a vice when it tolerates "the patriotism of internationalism," for in an address in N. Y. City Jan. 27, 1938, I pointed out that "In its essence tolerance is compromise with wrong. Virtue and truth have inherent rights. We do not tolerate rights. Evil has no rights. It is written that we should 'Love Good and Hate Evil'—not that we should tolerate evil. True patriots obey the High Command to hate, not Jews as such, but the evil things their politico-economic system is DOING to destroy, not only America, but Jewry itself."

Like you, I hold no animosity toward Jews as Jews, as individuals, or as to their race or religion. I am unalterably against what their false leadership is doing. I admit there are "good Jews"; but so long as "Good Jews" stand silently with "Bad Jews," that solidarity cannot be anything but an enemy to Gentiles, under existing conditions. In this connection you, as a clergyman, will be interested in the following extract from "religious comment," in the June 9, 1937, "Christian Century":

"The situation in which the Jewish Problem rises is in large measure of Jewry's own creation. The root cause is the Jew's immemorial and pertinacious OBSESSION WITH AN ILLUSION that his race and people are the object of the special favor of God, who requires the maintenance of their racial integrity and separateness. THEIR IDEA OF AN INTEGRAL RACE HAS ITS PROTOTYPE IN NAZISM."

We American patriots are going to recapture our priceless bought-with-blood liberties, peacefully—if we can—MILITANTLY IF WE MUST. Can we do it peacefully if the exchange channels of publicity-education are not open to Gentile as well as Jew? I dread the contemplation. But we are face to face with facts and conditions. "Publicity is the ONLY cure for Public Evils!"

The Great Lincoln warned: "Let the People KNOW THE TRUTH—and The Country is SAFE!"

Real Free Speech would bring Justice to ALL in The Republic!

FREE THE PRESS! is the prayer of the undersigned veteran journalist.

Yours For Americanism First,

1937, May London Catholic Times: "The Soviet Government has been and still is largely composed of Jews."

1938, Feb. 10, "The Irish Catholic" of Dublin, quotes A. Stolypine, son of former Russian Minister who was assassinated by a Jew in 1911, "Stalin's government has never been and will never be a national government. Israel will always be a controlling power behind it." Names of Jew-controls are given.

1938, Feb. 17, N. Y. Times Cable from Rome, Italy, quoting escaped Russian Envoy Butenko to Rumania: "Jews control big industry, have a monopoly of production, and live lives of luxury in Russia."

1938, October, "Rulers of Russia," 34 pages, by Rev. Denis Fahey, quoting introduction: "In this pamphlet I present to my readers a number of serious documents which go to show that the real forces behind Bolshevism in Russia are Jewish forces, and that Bolshevism is really an instrument in the hands of the Jews, for the establishment of their future Messianic kingdom." The following appears on Page 33:

"Pope Innocent III warned that 'When Jews are admitted to familiar intercourse with Christians they show their gratitude to their hosts in their customary fashion. The popular saying has it that they return thanks like the rat in the sack and the serpent in one's bosom.' This publication, which bears the imprimatur of the Catholic Church, is exceptionally well documented, and significantly carries, on the outside cover page, the following extract from the Communism Encyclical Letter of Pius XI, Divini Redemptoris:

#### THE POPE'S JEW-EXPOSURE

"For them (the peoples of the Soviet Union) we cherish the warmest paternal affection. We are well aware that not a few of them groan beneath the yoke imposed on them by men who in very large part ARE STRANGERS to the real interests of the country. We blame only the system with its authors and abettors who considered Russia the best prepared field for experimenting with a plan elaborated years ago, and who from there continue to spread it from one end of the world to the other."

It does not require much deduction to determine that the Pope is denouncing alien JEWS.

"Through Thirty Years," a book by H. Wickham Steed, British journalist: "Schiff, Warburg and other international financiers, wished to bolster up the Jewish revolutionaries to secure a field for Jewish exploitation of Russia"—reference being to Jewish loans to promote the revolution.

"Impressions of Soviet Russia," a publication by Charles Sarolea, Edinburgh professor, student of Russian conditions for 35 years: "I am quite prepared to admit that the Jewish leaders (in Russia) are only a proportionately infinitesimal fraction; but it is none the less true that those few Jewish leaders are THE MASTERS OF RUSSIA."

"The Hidden Hand", by Col. A. H. Lane of England: "The supreme conflict in the world today is between anti-Bolshevism and Bolshevism, the tool and agent of the Jewish Hidden Hand. In spite of Moscow 'executions' so dramatically written up in the Jew-controlled press of the world, the Jewish control of foreign-contact positions in Russia remains unaffected. Kaganowitsh, Stalin's father-in-law, who, in 1937, had no less than 67 relations and friends in administrations of Russia, remains at Stalin's elbow as the Soviet Diplomatic Agent."

**JEWISH RULERS OF RUSSIA:** (1) Stalin, Dictator Front, married to Jewess; (2) Kaganowitsh, Jew, "the power behind"; (3) Litvinoff (Finkelstein), Jew, Foreign Minister; (4) Voroshilov, Army Head, married to Jewess; (5) Maisky, Jew, Ambassador to Britain; (6) First OGPU Chief, Yagoda, Jew; (7) Trotsky, Jew, exile (?); Lenin, deceased, "Jew suspect"—Victor Marsden, British-Russian Correspondent, Translator of "Protocols of Elders of Zion," says Lenin was a Calmyc Jew, whose wife was Jewish and whose children spoke Yiddish. Lenin attended Zionist meetings. Scotland Yard Detective H. T. Fitch, in "The King's Shadow," said he served Lenin disguised as a waiter, and that he was a "typical round-headed Jew".

Suppressed Records of Fact and Authority, Showing That Communism and Socialism Are Jewish in Origin and Direction.

## A PATRIOTIC DEFENSE CRUSADE

The Edmondson Publicity Campaign is not an Anti-Semitic Crusade against individuals, a race or a religion. It is essentially a patriotic defence-action against Jewish politico-economic Anti-Americanism—see public acts of the Democratic Roosevelt-Baruch-Frankfurter-Morgenthau Regime.

The author is not against Jews on the grounds of Religion, Race or as Individuals, but because the Jewish Socialistic System is using High Finance, Communism and other revolutionary agencies, with The Press, to communize the American Representative Republic, National Patriotism and Western Civilization for the benefit of International Jewry. All Jews are not deliberately subversive, but all are under a false materialistic master-control which victimizes its own people—the greatest regimented and exploited solidarity in the world.

The Jewish Question is neither racial nor religious in America. It is ECONOMIC. By sinister usurpation of key-posts the International Jewish System has obtained control of our Financial Dynamo, New York, and of our Warburg-created Federal Reserve, which has enabled it to dominate our Political Power Center, Washington, aided by advertising-subversion of the Press. The secret of continuous alien control lies in the fact that key-post Jews are on both sides, promoting by "high finance" the strategy of "Divide and Rule" both Republican and Democratic Parties. The rank and file of Americans do not yet realize that the whole country is invisibly governed by foreigners through the "terrible power of the purse."

## NO COMPROMISE POLICY

Without ambition except to be of service to my country, I cater to no leadership complex. I have never shirked responsibility—and shall not now in this super-crisis. Believing circumstances create and draft true leaders, I am ready to cooperate with any patriotic group not wasting time with effects. I follow no policy that takes counsel with fear and compromise. No important issue was ever won by ignoring the Truth. In this self-preservation fight, pussyfooting or diversion is suicide, for patriotism has a "Rendezvous With Death." Identify the enemy—and attack!

So far as they may be patriotic uprisings against internationalization, I endorse Italian and Russian Fascism, German Nazism, Spanish Insurgency and Japanese Nationalism, for those countries; but for the U. S. I am for Militant Vigilante Patriotic Individualistic Americanism.

What is the remedy? My plan of individualistic defense-action is in brevity: Buy Gentile! Employ Gentile! Vote Gentile! Free the Press, the Air, the Screen. Purge the Channels of Education, the blinded churches and the Jew-penetrated and diverted societies from the materialistic octopus that is strangling them. No subversive minority can withstand such a peaceful self-preservation majority-boycott. I am for free speech ballots, not Communistic bullets. By public enlightenment bloodshed can be avoided. Let the people know the Truth—They will act to Rescue The Republic.

## EDMONDSON CASE DISMISSED

Upon Jewish instigation, Department of Justice Agents from Washington investigated the publishing activities of the Edmondson Service, and found that it is exercising the constitutional right of free speech and free press. U. S. Post Office Inspectors have examined its operations, and never denied its product mailing privileges in any way.

Nevertheless, for publishing the Jewish confession-record of plans to communize America, the author was indicted June 11, 1936, by a New York City Jewish-Majority Grand

Jury, at the instigation of Jewish Mayor LaGuardia, on a charge of "libeling all persons of the Jewish Religion", which he never attacked as such. Getting "cold feet" because the Princes of Jewry had been boldly subpoenaed to testify for the defendant, the American Jewish Congress et al on Apr. 14, 1938, petitioned to dismiss the case on the ground that there was no group libel law and that Free Speech was unconstitutionally attacked by the indictment. On May 10, 1938, the case was thrown out of court.

Since EVERY ONE of the many "relief motions" made by the defendant during 22 months delay were UNIFORMLY denied, this retreat was forced, NOT by a Court of Law, but by "The Great Power of The Press" through Defense Pamphlets dramatically exposing the LAW WEAKNESS of the prosecution.

This celebrated decision points the way and blazes the Liberation Trail for Americans. With safety patriots may openly exercise the Constitutional right of Free Speech and publicly attack Communistic Jewry collectively; and may also expose the anti-American public ACTS of individual Jews, so long as their personal integrity is not wantonly assailed. Publicity is the only cure.

## CIRCULATION OF BULLETINS NEEDED

The chief objective of this brevity publicity is to have patriots send for more bulletins and distribute them in an endless chain of counter-revolutionaries, TO SAVE THE REPUBLIC!

Send postage for samples of American Vigilante patriotic service bulletins. Regular monthly donations of \$1 will bring all new issues—8 to 12 monthly, mailed weekly. Extra bulletins supplied at cost of one cent contribution per copy, plus forwarding charges. All remittances accepted ONLY as unconditional voluntary contributions. # "DEMOCRACY"

## Not In U.S. Constitution

**"A REPUBLICAN form of Government" Guaranteed to Each State, with Checks and Balances to Block Communistic or Individual Dictatorship.**

(From an invitation address before the Anti-Communist Society of Allentown, Penna., Dec. 9, 1938.)

### FELLOW PATRIOTS:

You have seen the Communist slogan: "Communism is Twentieth Century Americanism!"

You have heard Communist Leader Browder bellow for "**democracy**" and call on his followers to vote for the Roosevelt New Dealers, who spout "**democracy**" while they play for socialism.

"We are not only the largest and most powerful **DEMOCRACY** in the whole world, but many other democracies look to us for leadership—that **WORLD DEMOCRACY** may survive," vociferated President Roosevelt in his speech quoted in the N. Y. Times of Dec. 6, 1938.

Roosevelt's "World Democracy" is **INTERNATIONAL JEWISH DEMOCRACY!** Proof? All Jews constantly shout for **Democracy**.

But you know that the United States of America was established as **A Representative Republic**—not a Democracy;

That, by Section 4, Article 4 of the Constitution, each state in the Union is guaranteed "**A Republican Form of Government**;"—(By The Republic).

That the checks and balances provided by the founding fathers were designed to safeguard against democratic tyranny as well as autocratic dictatorship.

But do you also know that in neither the Constitution as amended, nor in the Declaration of Independence, does the word "**DEMOCRACY**" anywhere appear?

### JEWES DEMAND "SOCIAL DEMOCRACY"

Let us dig deeper into this democracy business. I assure you we shall find a colored gentleman in the pile. And we note that the color is yellow—Asiatic, Oriental, **JEWISH**. Rabbis demand for America "**A Thoroughly Socialized Democracy**." If you will read the N. Y. Times of Sep. 13, 1936, you will see an item therein quoting a resolution by the great Central Conference of American Rabbis, largest Sanhedrin in the World. That resolution calls for the scrapping of the American System, and the substitution thereof of a Jewish socialized democracy. (See Foot Notes 1 and 2)

What is a "socialized democracy"? Russia answers! The Soviets are ostensibly Communist, but the official title of the Government is "Union of Soviet **SOCIALIST** Republics." Jews established it! Jews run it! Those statements cannot be successfully controverted. Gentile Front Stalin is married to the sister of the Jewish power behind the Comintern—Kaganowitch, slated to be his successor.

On July 4, 1937, the Editor of The N. Y. Morning Freiheit (largest Communist daily in the U. S. ), M. J. Olgin, Russian-born Jew, published the following:

"Communism is Twentieth Century Americanism. Communism is the theory and practice of putting into the terms of the present social forces the doctrine of the Declaration of Independence. We say that such a system (The American Political) must be replaced by the Socialist System as exemplified by the Soviet Socialist Republics."

Communism is the violence-tool by which its advocates hope to establish **Socialism**, the end product. What is this socialism? A political rule where individuals are regimented into machines, a condition of human slave-existence where the good of the state is always above that of the individual, who is leveled down to the lowest intelligence in the mass.

We Americans want none of Democracy-Communism-Socialism. Individualistic Americanism is the most deadly foe Communism-Socialism has. It levels up, not down. Individual creative genius is the **Soul of Progress**. Communism-Socialism are the **REAL REACTIONARIES**. For Individualism, the preservation of Americanism is worth any sacrifice, in my opinion. Out with the Jewish destroyers!

### CZECHO-SLOVAKIA DEMOCRACY

For a warning bad example, let us look at the record of a Communistic democracy, Jew-inspired, Jew-created, Jew-run, and Jew-destroyed—the Czecho-Slovakia that was, blood-brother of the Soviets. It was a synthetic, artificial state whose land was owned by Jews, according to a speech by Lord Winterdon in the House of Commons, and was carved out of the living bodies of surrounding countries in an effort to divide and rule them—done by the Butchers of Versailles, acting under Jewish direction—including Clemenceau, Lloyd-George and Wilson. Communistic Czecho-Slovakia democracy fell apart like a house of cards when knowing pressure was exerted against it by Truthful leadership. Its head Benes, had eight names. Benes is Jewish, and the name-changing is characteristic.

In view of the fact that on June 8, 1925, the U. S. Supreme Court handed down a decision in the Gitlow anarchy case of New York, outlawing the Communist Party—which the New Deal revived—special attention is directed, by way of encouraging results of our work, to the following vitally important anti-Communist dispatch from Seattle, Wash., of Nov. 20, 1938:

(OVER)

"Judge Hugh C. Todd of the Superior Court here, has issued a precedent-establishing decision in holding legally that the Communist Party seeks the overthrow of our government by violence.

"With respect to the Free Speech issue raised, Judge Todd said: 'They (the Communists) seek shelter under the doctrine of Free Speech. The form of the Soviet Communist Government in Russia does not respect private property; and the court can take judicial knowledge of the fact that, although in this country (which the Communists seek to over-turn) we have the right of Free Speech, of assembly, and religious liberty—none of these exist in Soviet Russia today. The evidence in this case justifies the opinion that the beliefs of the Communist Party include the overthrow of the present American form of Government by force and violence.' "

The foregoing was apparently published exclusively in the East by the Brooklyn Tablet, Catholic Weekly, on Nov. 26, 1938. In the same issue appeared this fact-exposing editorial comment on the recent Coughlin anti-Jewish broadcast and the suppression of it by WMCA New York radio station, owned by the Jew Flamm:

"Father Coughlin said openly what millions are saying in ordinary conversation at home and in the Street. . . . The Jews who are shouting the loudest against Nazi-Germany—Rabbi Wise for example—are the very same ones who have supported the murderous persecutors of Catholics in Spain. Many prominent Jews have refused to utter a word on behalf of persecuted Christians in Russia, Mexico, and Northern Ireland, and have been involved in organizations and activities in aid of these persecutors." It is time the Jewish people expressed themselves in a real American way by opposing everything that is un-American, whether it comes out of Germany, Russia, Spain or Mexico."

In this connection it is noteworthy that the N. Y. American of April 4, 1936, published a Jewish Telegraph Agency cable from Paris reading thus: "International Jewry is definitely siding with the Spanish (Red) Government".

#### FARMER VIGILANTES TO SAVE THE REPUBLIC

Anti-Communist storm-troopers are also taking much courage from the vigilante action of western farmers. The National Grange executive committee made public its agricultural platform in San Francisco Nov. 27, 1938, according to an item published in the N. Y. Times of Nov. 28, 1938, including the statement that the committee resolved "to permit no legislation to be adopted which will result in either immediate or eventual regimentation of the farmer, or concentration of authority or infringement of states rights."

In this connection it is not to be overlooked that the Daily Worker, official organ of the Communist Party, proclaims that the Associated Farmers of America constitute the most dangerous vigilante element in the nation. I have repeatedly predicted that the patriotic farmers and Americanized minorities of our country would save The Republic from Communism.

What a fight we are in! It will take all we've got to win, because we come into conflict with citizens who seem to like to advertize their ignorance. But Americans have shown themselves to be unbeatable, and I have no doubt as to the result,—ONCE THEY KNOW!

The world has never seen anything like this self-preservation war. We little storm-troopers, firing from our publicity guns mere grains of Truth, have been able to stop the triumphant March of money-mad International Jewry. The Spirit is mightier than The Body!

Often we fighters wonder why we keep on sacrificing personal resources, comforts and health, with so much judaized selfishness, cowardice and apathy around us; but there is something inside that tells us to go on; and we try to emulate the stout old Scotch warrior, who cried: "I'll lay me down and bleed a while, and then get up and fight again!"

In Origin and Direction, Democracy, Communism and Socialism are Jewish! The record of history proves it.

#### "SOCIAL DEMOCRACY" IS COMMUNISM

\*NOTE NO. 1:—"Social Democracy" is defined thus in Webster's Dictionary: "The SOCIALIST PARTY founded in Germany in 1863 by Ferdinand Lassalle (JEW), in 1875 united with the followers of Karl Marx (JEW), aiming to secure adoption of state SOCIALISM (As in Russia). See Funk & Wagnalls Dictionary definition of Russia's Jewish Bolshevik Party, viz.: "The TERRORISTIC Branch of the SOCIAL DEMOCRATIC PARTY"; and then refer to Webster's Dictionary description of "Bolshevik", thus: "Radical Wing of the SOCIAL DEMOCRATIC PARTY in Russia, NOW CALLED THE COMMUNIST PARTY."

\*NOTE NO. 2:—Democrat President F. D. Roosevelt of the U. S., leader of the New Dealers (Jews who style themselves "Social Democrats"), recently summoned North and South American Nations to a Lima, Peru, "Democracies Defense Conference," designedly directed against "totalitarian ideological invasion"; but it is very singular that, while in "The Declaration of Lima," signed at that Pan-American meeting Dec. 24, 1938, the word "REPUBLICS" appears four times, "DEMOCRACY" IS NOT MENTIONED ONCE. Having risen to their present positions largely through national patriots, most Western Hemisphere "republics" evidently decline to be considered "DEMOCRACIES," for Brazil demanded that the word "democracy" be cut out of the Declaration of Lima, (See N. Y. Times of Jan. 2, 1939) The Rosenvelts Lost! While they won with Frankfurter, they again lost in trying to extend America's frontier to "The Rhine".

\*NOTE NO. 3:—Constitution-Framer James Madison, who, in "The Federalist," is held to have "sold" The Constitution to the American People, in one of those articles in November, 1787, denounced "democracies" in these words: "Pure democracies have ever been the scenes of turbulence and contention; have ever been found incompatible with PERSONAL SECURITY or rights of property." Gertrude Atherton, in her book "The Conqueror," puts these words into Alexander Hamilton's mouth: "Democracy is a poison, just as Republicanism is the ideal of all self-respecting men."

How can THE MOST LIMITED NATIONAL GOVERNMENT IN THE WORLD—Washington was delegated but 18 powers by the sovereign states—be A DEMOCRACY, which is ruled by mass majority action; whereas all citizens of The Republic are governed by FIXED PRINCIPLES OF JUSTICE

Prof. H. J. Laski, Jewish Socialist of England, was quoted in the London "Fascist" of January, 1935, thus: "If the experiment for which Roosevelt is responsible, should in any serious degree break down, as a result of the association with it of a number of eminent Jews, there would be an outbreak of Anti-Semitism in the U. S. more profound than anything Anglo-Saxon Civilization has so far known."

The National Elections of 1938 show the Roosevelt experiment is breaking down—and New York City is POGROM-CONSCIOUS!

### THE DELANOS JEWISH ALSO?

Writing in the "Hakenkreuzbanner" of May 14, 1939, Prof. Dr. Johann von Leers of Berlin-Dahlem, Germany, publishes an exhaustive analysis of Roosevelt's ancestry. While it is apparent that the authorities quoted are not convinced regarding the authenticity of the Holland Rossoecampo-Rosenvelt Jewish genealogy, a new discovery is quoted to show that President Franklin Delano Roosevelt's mother—Sarah Delano—is from a Jewish-blood family.

"At once the veil falls" comments Dr. von Leers. "The President's father married Sarah Delano; and it becomes clear. Schmalix (genealogist) writes: 'In the seventh generation we see the mother of Franklin Delano Roosevelt as being of Jewish descent. The Delanos are descendants of an Italian or Spanish Jewish family—Dilano, Dilan, Dillano. The Jew Delano drafted an agreement with the West Indian Co. in 1657 regarding the colonization of the island of Curacao. About this the directors of the West Indies Co. had correspondence with the Governor of New Holland.

"In 1624 numerous Jews had settled in North Brazil, which was under Dutch Dominion. The old German traveler Uienhoff, who was in Brazil between 1640 and 1649, reports: 'Among the Jew settlers the greatest number had emigrated from Holland.'

"The reputation of the Jews was so bad that the Dutch Governor Stuyvesant (1655) demanded that their immigration be prohibited in the newly founded colony of New Amsterdam (the New York of today). It would be interesting to investigate whether the Family Delano belonged to these Jews whom the Dutch Governor did not want.

"It is known that the Sephardic Jewish families which came from Spain and Portugal always inter-married; and the assumption exists that the Family Delano, despite Christian-confession, remained purely Jewish so far as race is concerned.

### JEWISH MOTHERS BEAR HEREDITY

"What results? The mother of President Roosevelt was a Delano. According to Jewish Law (Schulehan Aruk, Ebenaezer IV) the woman is the bearer of the heredity. That means: children of a full-blooded Jewess and a Christian are, according to Jewish Law, JEWS. It is probable that the Family Delano kept the Jewish blood clean, and that President Roosevelt, according to Jewish Law, is a blooded-Jew even if one assumes that the father of the President was Aryan.

"We can understand why Jewish associations call him the "New Moses"; why he gets Jewish medals—highest orders of the Jewish people. For every Jew who is acquainted with the law, he is evidently one of them.

"The secret surrounding President Roosevelt solves itself through the assiduous investigations of Schmalix."

Is this connection it is noteworthy that Who's Who in American Jewry lists the New York Brentanos as Jewish—Sephardies from Italy or Spain. Delano and Brentano end with "o". Jews expelled from Brazil settled in the U. S. Genealogist Schmalix is quoted in the article mentioned as saying: "When the Delanos changed to the Christian religion can only be ascertained by further investigations in America."

With this alleged Jewish Delano descent added to the other records herein the fact that New York Jews on the East Side constantly refer to the President proudly as "Rosenvelt", it would seem that Dr. von Leers, in his letter of May 14, 1939, to the undersigned, transmitting his latest discoveries, is justified in exclaiming:

"It being true that the Delanos are well-known Jews from the Netherlands, President Roosevelt is, from the standpoint of Jewish Heredity Law, AS GOOD A JEW AS BERNARD M. BARUCH."

Baruch is a Sephardic Jew, whose family is reported to have come from Europe via Brazil to North America.

# "AMERICAN VIGILANTE" BULLETINS

(Millions in Circulation)

## Suppressed Records of Fact and Authority, Showing That Communism and Socialism Are Jewish in Origin and Direction.

### A PATRIOTIC DEFENSE CRUSADE

The Edmondson Jew-Exposure Publicity Campaign is not an Anti-Semitic Crusade against a race or a religion. It is essentially a patriotic defence-action against Jewish politico-economic Anti-Americanism—see public acts of the Democratic Roosevelt-Baruch-Frankfurter-Morgenthau Regime.

The author is not against Jews on the grounds of Religion, Race or as Individuals, but because the Jewish Socialistic System is using High Finance, Communism and other revolutionary agencies, with The Press, to communize the American Representative Republic, National Patriotism and Western Civilization for the benefit of International Jewry. All Jews are not deliberately subversive, but all are under a false materialistic master-control which victimizes its own people—the greatest regimented and exploited solidarity in the world.

The real solution is neither racial nor religious in America. It is ECONOMIC. By sinister usurpation of key-posts the International Jewish System has obtained control of our Financial Dynamo, New York, and of our Warburg-created Federal Reserve, which has enabled it to dominate our Political Power Center, Washington, aided by advertising-subversion of the Press. The secret of continuous alien control lies in the fact that key-post Jews are on both sides, promoting by "high finance" the strategy of "Divide and Rule" in both Republican and Democratic Parties. Liberation will follow smashing of "The terrible power of the Jewish purse" through political purging. The whole nation is now Jew-ruled.

### NO COMPROMISE POLICY

Without ambition except to be of service to my country, I cater to no leadership complex. I have never shirked responsibility—and shall not now in this super-crisis. Believing circumstances create and draft true leaders, I am ready to cooperate with any patriotic group not wasting time with effects. I follow no policy that takes counsel with fear and compromise. No important issue was ever won by suppressing the Truth. In this self-preservation fight, pussyfooting or diversion is suicide, for patriotism has a "Rendezvous With Death." Identify the enemy—and attack!

So far as they may be patriotic uprisings against internationalization, I endorse Italian and Russian Fascism, German Nazism, Spanish Insurgency and Japanese Nationalism, for those countries; but for the U. S. I am for Militant Vigilante Patriotic Individualistic Americanism.

What is the defence? My plan of individualistic defense-action is in brevity: Buy Gentile! Employ Gentile! Vote Gentile! Free the Press, the Air, the Screen. Purge the Channels of Education, the blinded churches and the Jew-penetrated and diverted societies, from the materialistic octopus that is strangling them. No subversive minority can withstand such a peaceful self-preservation majority-boycott. I am for free speech ballots, not Communistic bullets. By public enlightenment bloodshed can be avoided. Let the people know the Truth—They will save The Republic.

### EDMONDSON CASE DISMISSED

Upon Jewish instigation, Department of Justice Agents from Washington investigated the publishing activities of the Edmondson Service, and found that it is exercising the constitutional right of free speech and free press. U. S. Post Office Inspectors have examined its operations, and never denied its product mailing privileges in any way.

Nevertheless, for publishing the Jewish confession-record of plans to communize America, the author was indicted June 11, 1936, by a New York City Jewish-Majority Grand Jury, at the instigation of Jewish Mayor LaGuardia, on a charge of "libeling all persons of the Jewish Religion", which he never attacked as such. Getting "cold feet" because the Princes of Jewry had been boldly subpoenaed to testify for the defendant, the American Jewish Congress et al on Apr. 14, 1938, petitioned to dismiss the case on

the ground that there was no group libel law and that Free Speech was unconstitutionally attacked by the indictment. On May 10, 1938, the case was thrown out of court.

This celebrated decision points the way and blazes the Liberation Trail for Americans. With safety patriots may openly exercise the Constitutional right of Free Speech and publicly attack Communistic Jewry collectively; and may also expose the anti-American public ACTS of individual Jews, so long as their personal integrity is not wantonly assailed. Publicity is the only cure.

### CIRCULATION OF BULLETINS NEEDED

The chief objective of this brevity publicity is to have patriots send for more bulletins and distribute them in an endless chain of counter-revolutionaries, TO SAVE OUR CHRISTIAN AMERICAN REPUBLIC.

Captain H. H. Beamish, World Dean of the Jew-exposure movement, wrote recently from South Africa: "I want to congratulate you on your Vigilante bulletins, which hit the nail on the head every time." Leader Adrien Arcand, of Canada, highest North American authority on the Jewish Problem, wrote in his monthly Montreal organ in May, 1938: "Edmondson's propaganda leaflets, scientifically written and documented, are being circulated by the million." London Editor Arnold S. Leese, most reliable British Jew-exposure expert, commenting on the court backdown of Jewry in the famous libel case, printed: "Edmondson has won one of the greatest victories in the world. We ask all our American readers to assist him in every way to develop a great movement among our Aryan brothers across the Atlantic." The London weekly "Patriot", published this June 15, 1939: "Robert Edward Edmondson's broad-sheets are a mine of documented information on Jewish subversive activities." "God Bless Your Work"—Father Denis Fahey of Dublin, Ireland, author of the famous "Mystical Body of Christ." "You are a true Light Bearer. God Bless you! I am privileged to pass on much of your information to my people from the pulpit, and to a large following over the radio."—Rev. Otis B. Read, Pastor of First Baptist Church, Merrimac, Mass. "You are doing a great work in exposing the enemy. In my young days I realized this menace and saw that the Jewish instrument for world domination was the gold standard."—The late Arthur Kitson, great independent British Economist. "You are doing the greatest service of any man in America. You are opening blind eyes."—The late Dr. A. Z. Conrad, Pastor of Park St. Church, Boston, Mass.

Send postage for samples of American Vigilante patriotic service bulletins. Regular monthly donations of \$1 will bring all new issues—8 to 12 monthly, mailed weekly. # Lehman Protects Communists

New York Governor Vetoes Patriotic McNaboe Anti-Red Bill, Quoting the Suicide Doctrine That a Constitution Must "Tolerate" Those Sworn to Attack-Undermine-Destroy, Instead of Defend-Protect-Preserve the Very Government It Creates.

Open Letter to Gov. H. H. Lehman of New York State:

In vetoing the McNaboe Bill, saying you "abhor Communism just as I do Fascism—both constitute a threat to **democratic** government," you admit: "This bill proposes to **keep out** of civil service and the educational system of the state and its municipalities, persons who believe in **Communism**"—which doctrine is described in the measure as that which "advocates the **destruction** of the state by force and violence and the establishment of the dictatorship of the proletariat."

You also declare: "The threat to **democracy** \* \* \* comes through failure to discern that constitutional government cannot survive where rights guaranteed by the Constitution are not safeguarded, **even to those citizens with whose political or social views the majority may not agree.**"

The logical inference is that you support the political **suicide** doctrine that the constitution which creates a state should nurse and protect conspirators who openly advocate its destruction.

**YOU THROW THE CONSTITUTION INTO REVERSE!**

Self-preservation cries: "Such a doctrine aids and abets the **undermining** of the state; **IT IS TREASON!**"

Today too much is said about "rights" and **too little about "duties"**. In recognizing and guaranteeing "rights" to citizens, the Constitution also necessarily **exacts** corresponding **DUTIES**—to Defend-Protect-Preserve—**WHAT? The Constitution itself!**

No "right" is conferred **TO DESTROY!**

The endowment is: Liberty—**TO CREATE!**

In a pure freedom or pure democracy, there is **no freedom**; **IT IS LICENSE! ANARCHY!**

You also hold that: "Constitutional democracy \* \* \* must protect minorities (individuals) against **oppression by the majority.**"

Is it **majority "oppression"** to pass **defensive** legislation against subversive activities "**DANGEROUS TO THE PEACE AND SAFETY OF THE STATE**"—such as the Communism which is responsible for the Bloody Rape of Russia, where Moscow boils the brew that has upset the world and created the **antidote of Fascism** which is salvaging Patriotic Nationalism?

You ostentatiously and repeatedly invoke "**Democracy**," which is the **unlimited** rule of the majority—proletarian **Communism**; whereas our republican form of government is the most **limited** government in the world.

So did the Communist Party exercise it when, with mephistophelian audacity, cunning and hypocrisy, it wired you that: "The passage of the McNaboe Bill constitutes a serious threat to **American Democracy.**" Echoing that sanctimonious sentiment you would "safeguard **American Democracy**"—**WHEN THERE IS NO SUCH THING.**

The **American** form of Government is that of a "Representative Republic." In putting beyond the control of the majority the individual's (or minority's) God-given right to **preserve** life, liberty and the pursuit of happiness, its **Constitution** does **not** confer the right or power to **DESTROY** the life, liberty and happiness of the majority!

By your veto of the McNaboe Bill, which was passed by a great majority over a small Jewish minority, you have won the approval chiefly of the **Communistic organizations of the State and Nation** against the **American Legion** and other representative patriotic elements; for the Communistic Party executives, the Communistic American Labor Party, the Communistic American Civil Liberties Union, and other "**Reds**" promptly **endorsed your un-American position**—as well as the "conservative" Jewish N. Y. Times and the "radical" Jewish N. Y. Post.

It is singular, significant and illuminating that **Patriotic Duty** has met active **Jewish opposition** from the **bottom to the top** of this Gerson Communistic controversy, including Mayor LaGuardia, Manhattan Borough President Isaacs, and the N. Y. Jewish Guild, with Samuel Untermyer, Justice Shientag, Attorney Birnbaum and others as "steering committees," and with yourself as final arbiter, taking a "toleritis" role of **Protector** of that Jewish Communism which devastated Europe and now controls New York and Washington by destructive politico-economic domination.

If you, a so-called "conservative" Jew, invoke that double-crossing democracy which breeds in socialistic Communism—what may majority Gentildom expect from **radical Jews**?

It is a vital question of **Destructive Communism** against **Constructive Americanism**, as Commander Cross of the American Legion sums up the issues.

It is **not** a question of race or religion. What American Patriot troubles about them? Self-preservation is the crux of the matter—as foreseen by the Constitution of the State of New York when it decreed: **"The Liberty of conscience hereby secured shall not be construed so as to justify practices inconsistent with the peace and safety of the State."**

Let me here insert an eloquent sum up:

"More and more of late, do we see the very foundations of that majestic and beneficent American structure clamorously assailed by some of those to whom the great Republic generously gave asylum, and to whom she opened wide the portals of her **freedom**.

"America gave them **everything** she had to give—the great gift of the rights and liberties of citizenship; free education in schools and universities; free treatment in clinics and hospitals; boundless opportunities for social and material advancement.

"Some of them there are who have shown themselves **unworthy** of the trust of their fellow-citizens—ingrates, disturbers, ignorant of or **disloyal** to the Spirit of America, abusers of her hospitality.

"They **dare** to aspire to force **their guidance** upon Americans who for generations have walked in the Light of Liberty.

"Drunk, they presume to impose their reeling gait upon Americans to whom **Freedom** has been a pure and refreshing fountain for a century and a half. **In fatuous effrontery**, they seek to graft the growth of their **stunted** vision upon the splendid tree of American Institutions.

"The time is ripe and **over-ripe** to call a **halt** upon these spreaders of pernicious doctrines. The American is **slow to wrath**; but he is now passing through a time of **tension and strain**. His teeth are **set** and his nerves are on **edge**. **IT IS AN EVIL TIME TO CROSS HIM."**

I do not need to tell you who spoke such prophetic words. They are from one of those International Jews whom Israel Zangwill described as "taking all colors but **none**"—who was Orientally eloquent also about England, Germany and other countries, where he happened to reside at the moment of duplicity. And on his deathbed he repudiated the Christianity to which he had been "converted", **returning to Jewry**.

Jewish Solidarity in America, including conservatives and radicals, is apparently sitting on a **volcano of American fairplay indignation**, judging from the rising patriotic tide against Communism and its obvious protectors.

Yours for Americanism **FIRST!**

# PHYSICIANS CRUCIFIED BY JEW REFUGEE FLOOD

Roosevelt's Communistic Dumping of Foreigners Crowding Gentile Americans from Avenues of Opportunity in the Medical and Dental Professions, Pharmacy, Psychiatry, Psychology, etc.

MORRIS FISHBEIN is head of the American Medical Association; J. LEON LASCOFF is President of the American Pharmaceutical Assn. Doctors and Druggists are "cornered".

The Philadelphia Bulletin of Sept. 15, 1938, published this: "The Journal of the American Medical Assn. editorially asks for a 'careful, sympathetic consideration' of the problem concerning the refugee Jewish physician. Fishbein is Editor of the medical journal.

The following is an editorial extract from that American Medical Association official organ of Sept. 17, 1938: "While the total number of physicians coming to this country from abroad may not be great, the problem is INCREASING. NO DOUBT THE DIFFICULTY MAY WELL CONTINUE UNTIL ALL LIVING JEWISH PHYSICIANS FROM GERMANY, AUSTRIA AND ITALY HAVE BEEN TRANSPLANTED. Perhaps 6000 to 7000 physicians will be absorbed by the rest of the world, 3000 having already been absorbed."

The Chicago Jewish Sentinel of Sept. 29, 1938, contains the following in Rabbi Louis I. Newman's column: "German and Austrian Jewries have asked the U. S. to permit ONE HUNDRED THOUSAND Jews to find homes here within the next year, to be followed by ANOTHER HUNDRED THOUSAND. This is a tall order, ALTHOUGH NOT OUTSIDE THE REALM OF PROBABILITY."

ONLY American officialdom welcomes Jewish refugees, according to the Evian Conference. No other important nation's representatives dared to do so."

Chairman Katherine D. Blake of the International Relations Committee of the N. Y. City Federation of Womens Clubs, is quoted in the N. Y. Times of Oct. 10, 1938, as saying, regarding Jewish refugee doctors: "I SUGGEST THAT THESE PHYSICIANS BE BROUGHT TO THE U. S. Let the WPA place them in rural sections of the country."

Monsieur D. Pellepoix, a prominent patriot of Paris, wrote to the undersigned Sept. 19, 1938: "France has been saturated with hundreds of thousands of the worst Jews of Germany, Central Europe, and now Italy. This has proved a very good thing for us. The invasion has confirmed our teachings. Our movement (anti-Jew) is growing stronger every day.

## JEW'S "POURING IN" BRITAIN

"The Patriot" of London of Sept. 1, 1938, publishes a statement from the bench in Old Street Court by Magistrate Metcalfe, reading as below: "It is becoming an outrage the way these stateless Jews are pouring into every port in this country." In the July 14, 1938, issue of the same publication, it is reported that "The Medical Practitioners Union" has taken action "to meet the alien menace". \* \* \* Dentists are threatened by the invasion as much as the doctors.

Incidentally, in that connection, this relevant exhortation appeared in a document of 1489, printed in 1880 in "The Revue des Etudes Juives", (a publication reported financed by James de Rothschild), representing alleged advice by the Grand Sanhedrin of Constantinople during expulsion of Jews from France: "Make your sons doctors and apothecaries, that they may take away Christian lives. \* \* \* Arrange that your sons become lawyers, in order that you may dominate the world."

The London Sunday Pictorial of June 26, 1938, reported that Jews were being smuggled into Britain by the same agents who are employed for importing drugs. The Toronto Globe & Mail of July 25, 1938, reported this item from Paris: "Isaac Leifer, said to be the Grand Rabbi of Brooklyn, N. Y., is in jail here charged with trying to smuggle heroin and other narcotics into the U. S., hidden in the binding of the Talmud".

## DR. FREUD INVADES LONDON

Dr. Sigmund Freud, the notorious physician-sexologist of Vienna, has found a "refuge" in London, where he operates in competition with British doctors. "Prof. Arthur Bogner, famous Viennese child psychologist, is happy to have reached 'your country (America) of liberty and equality'", is an item published in the Washington Times of Aug. 16, 1938.

Governor Earle of the State of Penna., protege of J. David STERN, Jewish publisher of Philadelphia and New York, has appointed Dr. A. R. FINEBERG, Stanley FREEMAN and H. A. Smith, a committee of three to dispense a three million dollar state fund for "reliefers" needing medical aid.

"In Berlin before the World War, 50% of the medical men, 68% of welfare doctors, 54% of lawyers, 38% of the dentists, WERE JEWS, out of a Jewish minority population of less than 1%".—From "Germany's Fight for Western Civilization".

Physicians, surgeons, dentists and pharmacists in the medical profession should not overlook the point that Jewish refugee doctors will surely turn prescriptions over to their own racial druggists, crowding Gentile pharmacists as well as doctors, from regular practice in hospitals and elsewhere.

ARE AMERICAN physicians and pharmacists going to "take it lying down"?

# WHO RULES RUSSIA? COMMUNISTIC JEWS

(Revised to Date Chronologically)

"Increasing Jewish Character of the Bolshevik Regime" Reported by Chicago Tribune Correspondent in Cabling Evidence of a Christian Conspiracy Against Communist Government.

"Berijev, the newest addition to the Council of People's Commissars of Russia, like many other recent proteges of the Kaganowitsch family, is Jewish. **THE INCREASING JEWISH CHARACTER OF THE BOLSHEVIK REGIME** is said to explain its growing anti-German measures. All of those arrested in the recent plot against Stalin were said to be devout Christians conspiring to overthrow the alleged Jewish Bolshevik Regime."—Chicago Tribune, Jan. 5, 1939, by its Correspondent Donald Day at Riga, Latvia.

This is the latest up-to-date confirmation of the continuance of the Jewish Domination of Russia, beginning with the Jewish Kerensky start of the revolution that established the Union of Socialist Soviet Republics, directed by a Committee of 545 of whom 447 were Jews. The following chronological order is illuminating and convincing because of its responsible documentation:

1918, Sept. 18: Netherlands Representative Oudendyke at St. Petersburg reported (as reproduced by British White Paper of April, 1919): "Unless Bolshevism is nipped in the bud immediately it is bound to spread, in one form or another, all over the world, as it is organized **BY JEWS**, whose one object is to destroy, for their own ends, the existing order of things."

1918 "Pioneers of the Russian Revolution" by A. S. Rappaport, Jew: "The Jews in Russia, in their total mass, were responsible for the Revolution".

## THE JEWISH SOVIET PICTURE

1918, December, "Jews in Russia" by Victor Marsden, Russian Correspondent of the London Morning Post. 1919, February 12, U. S. Senate Overman Committee Report, Testimony of Rev. George Albert Simons, of the Methodist Church, "In December, 1918, under a man known as Apfelbaum (Zinovieff), out of 388 members, only 16 happened to be real Russians—all the rest were Jews with the exception of a negro; and 265 of these Jews came from the lower East Side of N. Y. City."

## JEWISH IDEALS SAME AS BOLSHEVIKS

1919, March 29, London Times: "Of the leaders who provided the central machinery of the Bolshevik movement, not less than 75% were Jews."

1919, April 4, London Jewish Chronicle: "The ideals of Bolshevism are at many points consonant with the finest ideals of Judaism."

1920, Jan. 11, "Bolshevism is Jewish," Editor A. S. Leese of London, quotes Gen. M. Schuyler of the U. S. Army as saying: "The Government of Russia is almost entirely Jewish, and our U. S. Army in Siberia was full of Bolshevik Jews direct from Moscow."

1920, March 5, "Documentation Catholique" of Paris, published an American Secret Service Report showing 24 Jews out of 25 revolutionary leaders in Russia, names being listed.

1920, Feb.-Mar. issue of "Asia", reported "In all Bolshevik institutions the heads are Jews."

1920, Sept. 10, American Hebrew of N. Y.: "What Jewish Idealism and Jewish discontent have so powerfully contributed to accomplish in Russia, the same historic qualities are tending to promote in other countries."

1920, July, "World Significance of the Russian Revolution", preface by Dr. Oscar Levy, London Jewish Savant, says: "Jewish elements provide the driving force for both Communism and Capitalism".

1923, Dec. 13, Correspondent Claire Sheridan in the N. Y. World: "The Communists are Jews, and Russia is entirely dominated by them."

1925, Dec. 19, U. S. Congressional Record quotes Jewish Chairman Zinovieff of the Communist 3rd International: "We have exterminated the property owners in Russia. We are going to do the same thing in Europe and America."

1933, "The Jews", published by Jews of Paris against "Anti-Semitism", reported: "Jews consider the post-war period (following the Russian Revolution) as a Messianic era". A photograph groups together as great Jews, Trotsky, Litvinoff, Lord Reading and Bernard M. Baruch.

1933, Oct. 21-28, London Catholic Herald, Dr. A. Homer writes: "The Soviet movement was a Jewish and not a Russian conception. Of the 224 revolutionaries who in 1917 were dispatched to Russia with Lenin to foment the Bolshevik Revolution, 170 were Jews. The Jewish Chronicle of Jan. 6, 1933, said: 'Over one-third of the Jews in Russia have become officials.'"

#### RABBI WISE'S MAGAZINE CONFESSES

1933, December "Opinion", a Jewish N. Y. Magazine under Rabbi S. S. Wise's editorship: "With the rise of the Soviet Regime Jews have been granted rights not accorded even in the most advanced countries. The state, which previously did not employ any Jews, now employs in White Russia 61% Jewish officials. A Jew is commander of the Ukrainian Army; a Jew is President of the State Bank; Jews occupy almost all important ambassadorial positions; universities, professions, judiciary and administration, now have a greater percentage of Jews than any other nationality. Anti-Semitism has been declared a state offense, and is punished as counter-revolution."

1934, February "New Outlook" Magazine of N. Y., James Abbe, author of "I Photograph Russia", says: "The men who control Russia are not Russians. Members of the Jewish race from all over the world, predominate".

1935, Oct. 29, "The New Masses", James Waterman Wise, son of Rabbi S. S. Wise, says: "Litvinoff, Yaroslavsky, Kaganowitsch, Radek, Bela Kuhn and Trotsky are Communist leaders in the Soviet."

1936, February "Defender" Magazine of Wichita, Kan.: "The Central Committee of the Communist Party at Moscow is the very heart-throb of international Communism. There are 59 members, and 56 are Jews. The remaining three are married to Jewesses. (Names are listed).

1936, Jan. 15, "The Revealer", semi-weekly Christian U. S. publication, gives the names of Soviet Ambassadors to important countries, all but two of whom were Jews.

#### SOVIET LEADERS 98% JEWISH

1936 German National Socialist Party Convention, Leader Hitler said: "98% of Soviet leaders are Jews."

1937, "GK's Weekly", London, Feb. 4, quotes Hilaire Belloc, author of "The Jews", thus: "As for any one who does not know that the present revolutionary movement is Jewish in Russia, I can only say that he is taken in by the suppressions of our deplorable press."

## WHY TRUST BORAH?

BACKED BY COMMUNIST JEWS

**"Red" Convention Leader Endorsed Him for President; Communistic Amer. Civil Liberties Union Wrote Bills for Him; His Candidacy Is Ballyhooed by Jewish Press; He Campaigned and Voted for Jewish Soviet Recognition, and His "Intimate" Prior Thereto Was the "Unofficial Ambassador" Skvirsky, a Jew.**

### TO THE REPUBLICAN NATIONAL CONVENTION:

Why Trust Borah in party councils, in platform considerations or for the Presidency? He has not been "a loyal Republican," and his record is against true Americanism. Look at the outline below:

It is notorious that he powerfully campaigned and voted for Roosevelt's successful recognition of the Communistic Soviets, where 30,000,000 Christians have been killed and starved to death. His "intimate" before "recognition" was the Jewish unofficial Soviet Ambassador, Skvirsky, who gave a dinner in his honor before leaving his post of Embassy Counsellor to make way for the Ogpu Executive Umanasky.

Borah's demand for recognition was in the face of overwhelming evidence that the Moscow Communist Internationale was working to overthrow the U. S. Government. Ellery Walker, world traveler, has testified that a letter of introduction from Borah was worth more than a passport in Soviet Russia.

"We understand that the American Civil Liberties Union (Communistic) is boosting Borah as the Republican Candidate for President," says the True Industrial Report of Aug. 17, 1935. "As far back as October, 1921, the minutes (of the organization) record that Borah, through Albert DeSilver (Treasurer of IWW Defense Fund) requested the ACLU to draft a bill repealing Title 12 of the Espionage Act."

"Documents seized in the U. S. Government raid on the Communist Party Convention at Bridge-man, Mich., in 1922, record that Pogary (a Jew), Moscow's Envoy, favored Communist backing of Borah for President," says a recent statement issued by Elizabeth Dilling, author of the famous "Red Network" book of radicals.

The National Republic of September, 1935, says: "Borah was for many years headliner in the Daily Worker, which titles itself 'Central Organ of the Communist Party USA.'" In 1932, in company with Einstein and other radicals, he attempted to interfere in the affairs of the Chinese Government by protesting its right to execute a pair of European Communists. (See 1932 American Year Book.)

"Senator Borah is one of the comparatively few persons who fully understands what the New Deal is," says Republican Syndicate Writer Mark Sullivan in the N. Y. Herald Tribune of May 15, 1936. HE OUGHT TO! Borah's "intimates" have been Jews in the Soviet Monopoly Regime—for recognition of which he campaigned—and which has been working with the New Dealers to substitute Communistic Rule for Lincoln's Republic.

"Military Training in Schools and Colleges in the U. S." is the title of a pamphlet by Socialist W. D. Lane, opposing military training for the defense of the U. S. Government. The Communist Garland Free Love Fund financed its distribution. See Garland Fund official report for 1925-8, February, 1929. On Page 4, Senator Borah is mentioned as one of its official sponsors.

While other deserving Americans are ignored, why does Borah always get "display" space in the Jew-controlled press? "Borah would come nearer to carrying N. Y. City than any one who could be nominated on the Presidential ticket, as he has great strength among important elements that make up that population," said Congressman Fish in the N. Y. Times, Nov. 29, 1935. Over 40% of the population of New York City is Jewish. The Jewish-owned N. Y. Times constantly praises Borah, notwithstanding the fact that New York, Illinois and Ohio primaries have turned "thumbs down" on him.

Election of Borah as President would give the "Reds" Republican Party control, the same as in the case of the present Roosevelt Regime. Is the Conservative Jewish element now transferring political controls from the Jewish-Radical Roosevelt Administration to Republican machinery?

# World's Ills Jewish

—EX-KAISER WILHELM

**Politico-Economic Anti-Jewish Policies of Germany Vindicated by the Logic of Events during the past twenty years, according to International Authorities**

The following is a "live" self-explanatory extract from an interview with former Kaiser Wilhelm of Germany, at Doorn, Holland, July 2, 1922, as reported in the Chicago Tribune of July 3, 1922, "By Baron Clemens von Radowitz-Nei":

"The Kaiser is convinced that all the evils of the modern world originate with the Jews.

"'A Jew cannot be a true patriot' he exclaimed. 'He is something different—like a bad insect. He must be kept apart, out of a place where he can do mischief—EVEN BY POGROMS, if necessary.

"'The Jews are responsible for Bolshevism in Russia, and Germany, too. I was far too indulgent with them during my reign, and I bitterly regret the favors I showed to prominent Jewish bankers and business men.'

"The Kaiser was much disturbed by the strong Jewish-Masonic influence in France.

"The former Emperor had a great respect for Dr. Walter Rathenau's ability, but considered him a GREAT DANGER TO GERMANY. In the first place, Rathenau was a Jew, and the Kaiser has come to the firm conviction that the Jews are at the bottom of most of the troubles in Germany and Europe." (The following is from The Wiener Free Press of Dec. 25, 1909, as translated from the German: "Only three hundred men, each of whom knows all the others, govern the fate of Europe. They elect their successors from their entourage. These men (Jews) have the means in their hands of putting an end to the form of any state which they find unreasonable"—Walter Rathenau, who was assassinated soon after.)

Nesta Webster, author of "World Revolution," "Secret Societies" and other great works, wrote a New Yorker under date of May 4, 1934: "I think, more than ever, that the Jews are at the bottom of all our troubles."

## TESTIMONY THE SAME 15 YEARS LATER

"Ninety-eight percent of Soviet Russia's leaders ARE JEWS. The same slaughter once seen in Russia is now being experienced in Spain, where EIGHTY PER CENT of the leading Red personalities are Jews. Everywhere the undermining work of Bolshevik agents is going on."—Hitler before the annual convention of German National Socialist Party in 1936.

"What Jewish Idealism and Jewish discontent so powerfully contributed to produce in Russia, the same historic qualities of the Jewish mind are tending to promote in other countries."—American Hebrew, September 10, 1920.

"Jewish elements provide the driving power for both Capitalism and Communism. We who invented the Chosen People myth, and who have posed as having given to the world its Savior, are nothing but its seducers, its incendiaries, its destroyers. We who promised to lead you to a New Heaven, have led you into a New Hell."—Dr. Oscar Levy, London Jewish Savant, in the preface to "The World Significance of the Russian Revolution" by Pitt-Rivers.

"The Jewish Peril menaces the whole world—and particularly the Christian Nations."—Civiltà Cattolica, Vatican newspaper, of May 19, 1928.

"You (Gentiles) have not begun to appreciate the real depth of our guilt. We have taken your natural world, your ideals, your destiny, and played havoc with them. We are at the bottom, not merely of the latest great war, but nearly all your wars. We have brought discord and confusion and frustration into your personal and public life. WE ARE STILL DOING IT. We did it solely with the irresistible might of our spirit, with ideas AND PROPAGANDA."—Marcus Eli Ravage, Jewish Boaster, in "The Real Case Against the Jews, in the January, 1928, issue of Century Magazine.

Christ's Jewish Apostle Paul, in the First Epistle to the Thessalonians, Chapter 2: 14-15, said: "Jews \* \* \* please not God, and are ADVERSARIES TO ALL MEN."

No! All Jews are not guilty. There are potentially "Good Jews." But so long as they stand by "Bad Jewry," how can you separate the wheat from the chaff?

Yes! There are BAD Gentiles—mostly those who are "thrice-damned" worse—to use Rabbi Wise's words—than the Jews whose work they do as traitorous dupes or tools. The treason penalty is too good for THEM! For the subversive Jew—deportation!

## LA GUARDIA GIVEN A JEW MEDAL FOR SUPPRESSING FREE SPEECH AND PROMOTING RACIAL WARFARE

**"The American Hebrew" REWARDS the Mayor of New York City in connection with Attacks on German-Americans and for Indictment of Robert Edward Edmondson's Patriotic Exposures of Jewish Anti-Americanism.**

"The American Hebrew," at a Waldorf-Astoria Hotel banquet on May 2, 1937, presided over by International Jewish Banker Henry Morgenthau, Sr., actually hung a medal on New York half-Jew Mayor LaGuardia, in consideration of—

(1) The Mayor's repeated "baiting" of the German-American Minority, whose invaluable contributions to this country stand in vivid contrast to the suppression of Americanism by the Jewish Monopoly Minority; and in consideration of—

(2) Having had Robert Edward Edmondson, native American of the Scotch Minority, indicted for alleged libel of a non-existent "Jewish Religion"; and whose patriotic exposures of Jewish-Communist Conspiracies are preposterously denounced in the formal medal presentation as "rabid anti-Semitic incitations of one Robert Edward Edmondson, LONG SUSPECTED AS AN ALLY OF SUBVERSIVE UN-AMERICAN FORCES, resulting in the indictment of Edmondson on a charge of criminal libel for traducing the Jewish Community"; this last phrase being a deliberate lie, for the charge reads "libeling all persons of the Jewish Religion."

### A FARCICAL ABSURDITY EXPOSED

As the aforesaid indictment has not even been acted upon by a trial-court—the District Attorney having failed to set trial since it was brought over ten months ago—the farcical and absurd character of the presentation is obvious.

"Mayor LaGuardia's selection (for the medal) was based on his devotion . . . to A FAIR DEAL FOR ALL New Yorkers irrespective of race or creed," unctuously announced the "great" International Banker Morgenthau, who has been privately quoted in New York gossip as dismissing with a wave of the hand "inevitable" revolutionary "ploughing under" of Americans in the progress of the New Deal—toward the consummation of "The Jewish Common Purpose," Gentile Subjugation?

The Jewish idea of A Fair Deal stands out vividly as one-sided when you practically apply the foregoing bombast to the persecution of Edmondson on a FALSE charge of libeling the Jewish Religion, whereas his attack was directed against Jewish ECONOMICS.

Samuel Untermyer characteristically said: "Hatred of racial and religious prejudice is one of Mayor LaGuardia's strongest qualities." Another striking illustration of Jewish "thinking in reverse!"

### 13 INDICTMENTS AGAINST LA GUARDIA

"Let's look at the record."

(1) "He espouses principles which are un-American and A MENACE to the welfare of the City and the Nation," according to Former Congressman Charles G. Bond in the N. Y. Sun of April 24, 1937.

(2) He encourages class-hatred and religious prejudice, weakens law and order by his policing methods, and balances the City Budget by the use of Federal funds," according to Louis Davis Hopkins of New York City in the New York Sun of April 27, 1937.

(3) He failed to reduce either real estate or water taxes, as promised, but restores City pay-roll economy cuts.

(4) He caters to the Dubinsky and Hillman Communistic Jews who back the C. I. O. strikes against the American fundamental individual property right.

(5) With City, State and National Jews, he promotes the Youth Control Amendment that would Sovietize 40 million Americans.

(6) He repeatedly attacks the Constitution of the U. S. and its Supreme Court Guardianship; sponsoring a call for "A Second American Revolution," issued by the Jewish "League for Independent Political Action."

(OVER)

(7) He denounces European dictators and then works for a Roosevelt Dictatorship in the United States.

(8) He jeopardizes personal liberty by instigating a false religious attack in the Edmondson case on the ground of "traducing the Jewish Community," whereas "a class" cannot be libeled as such under American law.

(9) He prostitutes his temporary official control of 80% of "The People of the State of New York" in the Edmondson Religion Libel Case, to further the anti-American malice of the Jewish monopoly Minority.

(10) He is temperamentally unfit to render impartial justice as between Gentile and Jew.

(11) He has violated his oath of office to "Support the Constitution of the United States and the Constitution of the State of New York," by SUPPRESSING FREEDOM OF THE EDMONDSON PRESS in a publication essentially defending those Constitutions against active enemy attack.

#### LA GUARDIA PUTS JEWISM ABOVE AMERICANISM

(12) This half-Jew Mayor is publicly feted by an alien-minded medal-duped gathering of impractical "intellectual liberals" apparently unable to grasp the sinister realities of the occasion, as a benefactor of that Americanism which made Free Citizens of Subjects and Slaves, and which he has smeared and debauched and would destroy with the abominations of a communistic tribe, his allegiance to which he puts above that to the majority-people to whom he owes everything.

(13) LaGuardia announced May 2, 1937, that he had selected "a panel" of 150 "representative" men and women to arbitrate labor difficulties in New York City, including delegates from Labor, Industry and The Public. Of the 22 "labor leaders" named, headed by David Dubinsky, contributor to Spanish Communists, and Brandeis' protegee Sidney Hillman, both "CIO" Lewis backers, FIFTEEN ARE JEWS.

Does this Mayor of Mongol-Yids think he can always "get away" unscathed with such anti-American activities, with a mayoralty election approaching? I predict that he and his 90% apostate Jews will be held to strict accountability when the rising tide of patriotism mounts into momentum.

Lest this language be deemed to over-lap that of indignant vigor, let it be understood that, concerned for the public welfare, the undersigned Free Citizen is legally, as well as patriotically justified in publishing this truthful exposure of the anti-American activities of a delinquent PUBLIC SERVANT, who should be removed from office, disfranchised and deported to the tender mercies of the Jewish Sovietland where he belongs with all those subversive Jews who have been planning to overthrow the greatest political system ever established.

Learning of the secret plot-attack on the United States by the International Jewish Monopoly System, Robert Edward Edmondson, duty-impelled, promptly (1) commenced a DEFENSIVE Patriotic Crusade in 1934 as a "counter-revolutionary offensive" against Jewish anti-Americanism—for which (2) he was arrested by direction of "Lefty" LaGuardia to suppress his Free Press exposures, and forced to DEFEND himself in the courts on a false accusation.

Americans did not START this fight; BUT THEY ARE GOING TO FINISH IT; and those who get in their way will do well to beware the wrath of an outraged people. This is not a threat; it is not even a warning; it is a prophecy which will be fulfilled in the not distant future, when Citizen Patriots take back their own "Christian Country," as "Al" Smith rightfully calls it—and is thereupon promptly Jew-persecuted, among other annoyances, by a placard-parade in front of his Empire State Building, bearing the slogan "Down with Brown Derby FASCISM"—evidently the latest Communistic brand for Christianity.

# "DEMOCRACY"

## Not In U. S. Constitution

**"A REPUBLICAN form of Government" Guaranteed to Each State, with Checks and Balances to Block Communistic or Individual Dictatorship.**

(From an invitation address before the Anti-Communist Society of Allentown, Penna., Dec. 9, 1938.)

### FELLOW PATRIOTS:

You have seen the Communist slogan: "Communism is Twentieth Century Americanism!"

You have heard Communist Leader Browder bellow for "democracy" and call on his followers to vote for the Roosevelt New Dealers, who spout "democracy" while they play for socialism.

"We are not only the largest and most powerful **DEMOCRACY** in the whole world, but many other democracies look to us for leadership—that **WORLD DEMOCRACY** may survive," vociferated President Roosevelt in his speech quoted in the N. Y. Times of Dec. 6, 1938.

Roosevelt's "World Democracy" is **INTERNATIONAL JEWISH DEMOCRACY!** Proof? All Jews constantly shout for **Democracy**.

But you know that the United States of America was established as **A Representative Republic**—not a Democracy;

That, by Section 4, Article 4 of the Constitution, each state in the Union is guaranteed "A **Republican Form of Government**;"—(By The Republic).

That the checks and balances provided by the founding fathers were designed to safeguard against democratic tyranny as well as autoeratic dictatorship.

But do you also know that in neither the Constitution as amended, nor in the Declaration of Independence, does the word "**DEMOCRACY**" anywhere appear?

### JEWES DEMAND "SOCIAL DEMOCRACY"

Let us dig deeper into this democracy business. I assure you we shall find a colored gentleman in the pile. And we note that the color is **yellow**—Asiatic, Oriental, **JEWISH**. Rabbis demand for America "A Thoroughly **Socialized Democracy**." If you will read the N. Y. Times of Sep. 13, 1936, you will see an item therein quoting a resolution by the great Central Conference of American Rabbis, largest **Sanhedrin in the World**. That resolution calls for the scrapping of the American System, and the substitution thereof of a Jewish **socialized democracy**. (See Foot Notes 1 and 2)

What is a "socialized democracy"? Russia answers! The Soviets are ostensibly Communist, but the official title of the Government is "Union of Soviet **SOCIALIST** Republics." Jews established it! Jews run it! Those statements cannot be successfully controverted. Gentile Front Stalin is married to the sister of the Jewish power behind the Comintern—Kaganowitch, slated to be his successor.

On July 4, 1937, the Editor of The N. Y. Morning Freiheit (largest Communist daily in the U. S.), M. J. Olgin, Russian-born Jew, published the following:

"Communism is Twentieth Century Americanism. Communism is the theory and practice of putting into the terms of the present social forces the doctrine of the Declaration of Independence. We say that such a system (The American Political) must be replaced by the **Socialist System** as exemplified by the Soviet Socialist Republics."

Communism is the violence-tool by which its advocates hope to establish **Socialism**, the end product. What is this socialism? A political rule where individuals are regimented into machines, a condition of human slave-existence where the good of the state is always above that of the individual, who is leveled down to the lowest intelligence in the mass.

We Americans want none of Democracy-Communism-Socialism. Individualistic Americanism is the most deadly foe Communism-Socialism has. It levels up, not down. Individual creative genius is the **Soul of Progress**. Communism-Socialism are the **REAL REACTIONARIES**. For Individualism, the preservation of Americanism is worth any sacrifice, in my opinion. Out with the Jewish destroyers!

### CZECHO-SLOVAKIA DEMOCRACY

For a warning bad example, let us look at the record of a Communistic democracy, Jew-inspired, Jew-created, Jew-run, and Jew-destroyed—the Czecho-Slovakia that was, blood-brother of the Soviets. It was a synthetic, artificial state whose land was owned by Jews, according to a speech by Lord Winterdon in the House of Commons, and was carved out of the living bodies of surrounding countries in an effort to divide and rule them—done by the Butchers of Versailles, acting under Jewish direction—including Clemenceau, Lloyd-George and Wilson. Communistic Czecho-Slovakia democracy fell apart like a house of cards when knowing pressure was exerted against it by Truthful leadership. Its head Benes, had eight names. Ben-es is Jewish, and the name-changing is characteristic.

In view of the fact that on June 8, 1925, the U. S. Supreme Court handed down a decision in the Gitlow anarchy case of New York, outlawing the Communist Party—which the New Deal revived—special attention is directed, by way of encouraging results of our work, to the following vitally important anti-Communist dispatch from Seattle, Wash., of Nov. 20, 1938:

(OVER)

"Judge Hug C. Todd of the Superior Court here, has issued a precedent-establishing decision in holding legally that the Communist Party seeks the overthrow of our government by violence.

"With respect to the Free Speech issue raised, Judge Todd said: 'They (the Communists) seek shelter under the doctrine of Free Speech. The form of the Soviet Communist Government in Russia does not respect private property; and the court can take judicial knowledge of the fact that, although in this country (which the Communists seek to over-turn) we have the right of Free Speech, of assembly, and religious liberty—none of these exist in Soviet Russia today. The evidence in this case justifies the opinion that the beliefs of the Communist Party include the overthrow of the present American form of Government by force and violence.' "

The foregoing was apparently published exclusively in the East by the Brooklyn Tablet, Catholic Weekly, on Nov. 26, 1938. In the same issue appeared this fact-exposing editorial comment on the recent Coughlin anti-Jewish broadcast and the suppression of it by WMCA New York radio station, owned by the Jew Flamm:

"Father Coughlin said openly what millions are saying in ordinary conversation at home and in the Street. . . . The Jews who are shouting the loudest against Nazi-Germany—Rabbi Wise for example—are the very same ones who have supported the murderous persecutors of Catholics in Spain. Many prominent Jews have refused to utter a word on behalf of persecuted Christians in Russia, Mexico, and Northern Ireland, and have been involved in organizations and activities in aid of these persecutors." It is time the Jewish people expressed themselves in a real American way by opposing everything that is un-American, whether it comes out of Germany, Russia, Spain or Mexico."

In this connection it is noteworthy that the N. Y. American of April 4, 1936, published a Jewish Telegraph Agency cable from Paris reading thus: "International Jewry is definitely siding with the Spanish (Red) Government".

#### FARMER VIGILANTES TO SAVE THE REPUBLIC

Anti-Communist storm-troopers are also taking much courage from the vigilante action of western farmers. The National Grange executive committee made public its agricultural platform in San Francisco Nov. 27, 1938, according to an item published in the N. Y. Times of Nov. 28, 1938, including the statement that the committee resolved "to permit no legislation to be adopted which will result in either immediate or eventual regimentation of the farmer, or concentration of authority or infringement of states rights."

In this connection it is not to be overlooked that the Daily Worker, official organ of the Communist Party, proclaims that the Associated Farmers of America constitute the most dangerous vigilante element in the nation. I have repeatedly predicted that the patriotic farmers and Americanized minorities of our country would save The Republic from Communism.

What a fight we are in! It will take all we've got to win, because we come into conflict with citizens who seem to like to advertize their ignorance. But Americans have shown themselves to be unbeatable, and I have no doubt as to the result,—ONCE THEY KNOW!

The world has never seen anything like this self-preservation war. We little storm-troopers, firing from our publicity guns mere grains of Truth, have been able to stop the triumphant March of money-mad International Jewry. The Spirit is mightier than The Body!

Often we fighters wonder why we keep on sacrificing personal resources, comforts and health, with so much judaized selfishness, cowardice and apathy around us; but there is something inside that tells us to go on; and we try to emulate the stout old Scotch warrior, who cried: "I'll lay me down and bleed a while, and then get up and fight again!"

In Origin and Direction, Democracy, Communism and Socialism are Jewish! The record of history proves it.

#### "SOCIAL DEMOCRACY" IS COMMUNISM

\*NOTE NO. 1:—"Social Democracy" is defined thus in Webster's Dictionary: "The SOCIALIST PARTY founded in Germany in 1863 by Ferdinand Lassalle (JEW), in 1875 united with the followers of Karl Marx (JEW), aiming to secure adoption of state SOCIALISM (As in Russia). See Funk & Wagnalls Dictionary definition of Russia's Jewish Bolshevik Party, viz.: "The TERRORISTIC Branch of the SOCIAL DEMOCRATIC PARTY"; and then refer to Webster's Dictionary description of "Bolshevik", thus: "Radical Wing of the SOCIAL DEMOCRATIC PARTY in Russia, NOW CALLED THE COMMUNIST PARTY."

\*NOTE NO. 2:—Democrat President F. D. Roosevelt of the U. S., leader of the New Dealers (Jews who style themselves "Social Democrats"), recently summoned North and South American Nations to a Lima, Peru, "Democracies Defense Conference," designedly directed against "totalitarian ideological invasion"; but it is very singular that, while in "The Declaration of Lima," signed at that Pan-American meeting Dec. 24, 1938, the word "REPUBLICS" appears four times, "DEMOCRACY" IS NOT MENTIONED ONCE. Having risen to their present positions largely through national patriots, most Western Hemisphere "republics" evidently decline to be considered "DEMOCRACIES," for Brazil demanded that the word "democracy" be cut out of the Declaration of Lima. (See N. Y. Times of Jan. 3, 1939) The Rosenvelts Lost! While they won with Frankfurter, they again lost in trying to extend America's frontier to "The Rhine".

\*NOTE NO. 3:—Constitution-Framer James Madison, who, in "The Federalist," is held to have "sold" The Constitution to the American People, in one of those articles in November, 1787, denounced "democracies" in these words: "Pure democracies have ever been the scenes of turbulence and contention; have ever been found incompatible with PERSONAL SECURITY or rights of property." Gertrude Atherton, in her book "The Conqueror," puts these words into Alexander Hamilton's mouth: "Democracy is a poison, just as Republicanism is the ideal of all self-respecting men."

How can THE MOST LIMITED NATIONAL GOVERNMENT IN THE WORLD—Washington was delegated but 18 powers by the sovereign states—be A DEMOCRACY, which is ruled by mass majority action; whereas all citizens of The Republic are governed by FIXED PRINCIPLES OF JUSTICE.

# How Key Jews Rule The U. S. A.

---

Jewish Who's Who Shows Foreign "Key Controls" Crowding Americans Out of Jobs and the Avenues of Opportunity in Economics, Politics, The Press, Radio, Screen, Education, Literature and Music, in Our Own Country.

---

In this pamphlet is presented "Key Jews" resident in America, prominently appearing in the public press. Most of the checking for accuracy has been in "Who's Who in American Jewry"—although certain important U. S. Jews have been omitted from that big book for some mysterious reason, while France's Blum, Russia's Finkelstein-Litvinoff, Britain's Hore-Belisha, Mexico's Trotsky and other foreign Jews have been listed in this "American" Jewish "Honor Roll".

This pamphlet-compilation is not anywhere near complete, owing to lack of adequate research staff; but it fairly well covers the eastern territory of the U. S., where Jews are largely concentrated except in some western metropolises. Such a production can never be complete because Jews are notorious for naming-changing, and half-breeds are difficult to trace.

The main thing to keep in mind is that probably every "prominent Jew" is a "Key-Poster" delegated to watch certain developments in designated Gentile affairs. Millions of others are cogs in the machine of minority Jewry, built up for Gentile subjugation to the "Jewish Common Purpose"—rulership to be achieved through a union of Jewish finance and Jewish revolution—communization, not of Jews, but of Gentiles.

Enormous numbers of foreign-born Jews have been admitted into this country during the past few years. There is now under way a mass-movement from Europe in the shape of Roosevelt "visitors" who will forget to go back, and who crowd out of jobs many American citizens—just as have native Americans been shut out of the avenues of opportunity in their own country for years through the "terrible power of the Jewish purse". Witness the factual domination exposed in these pages.

Count of the Jews listed in the Jewish Who's Who shows that it contains over 2900 who were born abroad. The first point to keep in mind in this connection is that these foreign-born Jews have attained the status very quickly of "KEYS", or they would not be incorporated in this cream list.

The second vital point to hold in mind is that Jews will not assimilate and become an integral part of Americanism, but remain a notorious "Jewish Solidarity Forever", which is essentially a Nation within a Nation since their Oriental Code is not the high standard Anglo-Saxon Code of our forefathers.

Like other members of their Tribe, these foreign-born Jews promptly "settle upon the glands" of our American System as Educator Jews, Doctor Jews, Lawyer Jews, Legislator Jews, Political Jews, Social Worker Jews, Publicity Jews, Economic Jews, Financial Jews, Movie Jews, Radio Jews, and Government Jews—parasitically eating out the sustenance we have created with the vampirish voracity of a destroying plague of locusts. In short, instead of regarding America as the Melting Pot of Humanity, they make it the Milking Pot for International Jewry.

The great influx of foreign-born revolutionary Jews, upon analysis, is shown to be chiefly from Russia, Poland, Hungary, Rumania and Austria, called "Eastern Jews", viz., Tribesmen from Asia—"Mongol Jews". The question arises: Have they been admitted in violation of the Asiatic Exclusion Act; and if so, are they deportable?

Many people believe that modern Freemasonry is a Christian secret society. It will enlighten them to know that more than 1700 Jews listed in Who's Who in American Jewry are Masons—245 Thirty-Second Degree and 23 Thirty-Third Degree, which is regarded as representing "the elect". President Franklin D. Roosevelt is a 32d degree Shriner Mason. Some Jews who are reported Masons are not listed as such in the Jewish Who's Who. Many Rabbis are Masons. The "Big Five"—Baruch, Brandeis, Morgenthau, Frankfurter, Wise—are not listed therein as Masons. Are they members of the Grand Orient Lodge of Europe? Jews have penetrated every large organization in the world. Rabbi Isaac M. Wise wrote in "The Israelite of America," of Aug. 3, 1866: "Masonry is a Jewish institution whose history, degrees, charges, pass-words and explanations are Jewish from beginning to end."

The author hopes that his compilation will form the nucleus of a great lexicon such as Germany has compiled regarding Jews in that country, and offers it as a valuable documentation in the coming purge and exodus of the Jews from America to Madagascar—when the people of the nation awaken to the fact that their heritage is being secretly stolen from them **BY FOREIGNERS!**

# "CHRIST WAS NOT A JEW"

A NEW BOOK

By Dr. J. F. Campbell

An Historical and Analytical Treatise on the Man from Galilee—"Land of the Gentiles" (Isaiah 9:1).

## Introduction by the Author

Why should Christianity, since it is a world religion, be tied back to the locale of its origin? This little planet on which we live is such a tiny speck in the wide expanse of the universe to deserve so much attention from the Creator of all things visible and invisible. And can anyone but a Jew in these modern times persuade himself that his race alone is the "chosen people" of the Almighty? Such colossal egotism is as pitiful as it is contemptible. **Christ's message is universal**—it need not be restricted to the narrow confines of this little world, to say nothing of a mere handful of its people, overburdened with conceit.

## Christianity Must Not Compromise

And why should Christianity be held to the belittling postulate—let theologians take notice—that it is the heir of traditions not its own—filthy, absurd traditions sometimes; and that, too, of an unfriendly race, for which it has been wont to apologize needlessly? What part has a world religion with a mere ethnic cult with which it is logically irreconcilable?

Christianity has learned to be tolerant; but it **must not learn to compromise**. Judaism is forever intolerant and forever compromising, as a racial cult must ever be. It is time for Christianity to scrap Judaism and its demoralizing influence, lest it lose altogether the confidence and respect of the Gentile world. In preparation therefore a careful distinction must be made between what Judaism is and what it has borrowed from sources older than itself.

## Christ Upheld the Law

The transcendent wisdom of Christ is nowhere seen to better advantage than in His attitude toward law and order, though His message to the world was spiritual and therefore directed toward the individual rather than toward organized states. He even counseled obedience to the conquering Romans, which was wormwood to the sullen and resentful Jews. Likewise His doctrines today are in support of "the powers that be," law and order under duly constituted authority—whereas Anti-Christ is forever anti-national.

The world is still echoing with the attack of Jewish bolshevism upon Christian Russia, while the latter was embarrassed along with ourselves in the greatest of all wars. And now the scope of its devastation is widening and reaching to our shores, and again Anti-Christ is gloating over the prospect of another victim while it preaches non-resistance and "internationalism," though its own name is Judaism. Its program is as follows: **First defile—then destroy!** You may read its purpose in the Jewish Talmud. You may find its program (no matter who wrote them) in the so-called Protocols. Its blight may be read in the press, seen on the screen and on the stage, heard in the radio, and felt in business and government everywhere.

## The Attack on the Pulpit

It has even attacked the last stronghold of free speech, namely, the pulpit, both through its demoralizing traditionalism and its paid apologists. It works under the disguises of nihilism, bolshevism, communism, socialism, pacifism and internationalism, disregarding any label as soon as it becomes odious, and taking refuge under a new one. But its one unchanging and secreted name is **Judaism**. It keeps in the dark as long as it can find dupes to obey its orders. It works its sinuous way toward an open defiance of both state and church, just as it did in Russia.

## Galileans Were Not Jews

Many devout Christians there are who say that it makes no difference to them from what race Christ came. This is but expressive of an attitude of personal loyalty to Christ, commendable in itself, but **treasonable in effect to His mission**. Historic truth can not be ignored so indifferently. It is an equivocation of position arising from intellectual indolence or incapacity to think, and it yields the whole question as to the divinity of His source. It ignores the patent fact that the Founder of Christianity, had He been a Jew, could never have been a Savior of the Gentiles. Hence, even at the risk of brushing aside certain Christian traditions, such as "the Son of David," which Christ Himself ridiculed; and other traditions hallowed in art and song, sooner or later the stark truth stands out before us **demanding recognition**; and woe be to those who persistently ignore it. The truth demanding recognition is that Christ, as the Son of Man, was a **Galilean**, and the Galileans were **not Jews**, in race, though in part Judaized in Religion and Nationality. It is **RACE** that counts, for "A stream must rise from a source higher than itself"—and **Judaism was no such source for Christianity**. "Men do not gather grapes of thorns nor figs of thistles"—so said Christ.

## WHAT A WELL-KNOWN SCIENTIST SAYS

"We know from historical records that Sargon, King of Assyria, conquered Palestine about 700 B. C., and in order to secure his frontiers, expelled the Semitic population of Northern Palestine and colonized it with Scythians and Gauls, who had been his soldiers. There are also references to Sargon using Goths as soldiers, so that it might appear that he was partial to Nordics as fighters. There is not only a Scythopolis in Galilee, ITSELF A NORDIC NAME, but many other place-names in it are linguistically ARYAN OR NORDIC.

"This and much other historical data leave practically no doubt that the population of Galilee, AMONG WHICH CHRIST WAS REARED, and from which His early followers came, WAS ESSENTIALLY NORDIC. The tradition that Christ had fair hair and blue eyes dates from the second century, when there were people alive who would have known those WHO HAD SEEN CHRIST."—From "Lessons of Racial History" by Dr. C. G. Campbell, Honorary President of the Eugenics Research Assn., in an address Feb. 18, 1936.

## SUPPRESSING "THE SENTINELS"!

**Jew-Controlled Channels of Publicity Try to Smother Women's Patriotic Organization's Clarion Calls to Christian Women to Save The Republic from America's Great Alien Menace.**

Having been suppressed by the anti-American Jew-controlled press, we are reproducing for deservedly wider circulation, salient features of the great patriotic clarion call to women by Mrs. Jesse W. Nicholson, President of "The National Sentinels," delivered over a limited radio-broadcast from Washington at 7. P. M., April 16, 1936:

**"OUR PEOPLE ARE BEING DESTROYED FOR LACK OF KNOWLEDGE. Blind faith won't save us! The only thing that can save the present situation is KNOWLEDGE.**

**"The American people should ask themselves why not a single medium of publicity except 'Plain Talk' magazine and 'The Woman Voter' has dared to expose the REAL Communistic Menace which is operating in the Capital of the United States.**

**"Nothing is the matter with America but the ALIENS who have been admitted to our hospitality, and who have shamelessly abused our Constitution and our CHRISTIAN TOLERANCE.**

**"We have 12 millions of unemployed. There are 7½ millions of aliens in this country. They should be deported, so that our own people may have jobs. They tell us 'hardship would be involved.' Hardship is involved now—for Americans who believe in their government, who do not want it overthrown; for Americans who are supporting alien millions on relief; for Americans who pay the high cost of crime.**

**"Every patriotic American can help to relieve the unemployment situation this Fall by going to the polls and electing Congressmen who will pledge themselves to deport these 7½ million aliens, and who will work for the passage of a law requiring employers to hire American citizens first. 'Not one job to a foreigner until every American is employed!' should be our slogan.**

**"Perhaps the most complete demonstration of the extent to which Communistic ideas have taken root is the progress made in some states of the mis-named 'child labor amendment,' which makes it a felony for any person under 18 years of age to perform any kind of labor. If this is passed it means that 40% of the citizens of the United States would be placed under Federal control—as in Soviet Russia.**

**"What have the braintrusters to say about the undenied charges that they formed in the State of Delaware in 1933 five corporations which have the power to take over and operate any business in the U. S. We 'Sentinels' demand that they tell the people why they formed these corporations, if they did not intend to use them. We demand that they tell why they were secretly formed, and why their papers were all marked 'do not publish.' If they were not official, the braintrust should tell us why members of the Cabinet—Secretary Wallace, Secretary Ickes, Secretary Perkins, Harry Hopkins and others—were incorporators and first trustees. We would also like to know why the press was told that if New Deal theories failed, Franklin D. Roosevelt would be the LAST President!**

**"The right to carve out our individual destinies is being taken from us. Unless you women do something constructive now, a victorious Red Program is certain to follow. With it will come confiscation of your property, overthrow of constitutional rights and liberties, women debased and children given to state authorities for atheistic teaching in communal barracks—as in Russia.**

**"Communistic organizations and agitators in the United States are frantically working for peace, and opposing all increase in our army and navy; yet their own Communistic Russia has the largest army in the world.**

**"We have permitted anarchy to lift its ugly head under the mistaken guise of open-mindedness, liberalism and tolerance—and we are witnessing the results. The downfall of education in this country started when Socialism and Communism were introduced into our educational institutions. And I tell you we must drive this monster from them—or we are lost.**

**"Where is the strength, the dignity, the majesty of the law, that had their birth in England's Magna Charta, in America's Declaration of Independence and in the Constitution of the United States? Can it be possible that our people have descended from those superb heights to the darkness and helplessness of a jungle of lawlessness? The writing and adoption of our Constitution is an historical event second only to the birth of Christ.**

**"I call upon the CHRISTIAN Women of this country to become 'Sentinels,' and organize to impeach and drive from power politicians who put selfish motives before their oaths of office. The soul of the nation has fallen asleep in the arms of Mammon. In a mad race for wealth, Law has lost its Sovereignty. Men in high places defy statutes and constitutions. Our task as 'Sentinels' is to bring patriots back to the firing line, fighting Communism in all its hideousness.**

**"We must mobilize the womanhood of America into active 'Sentinels,' and like Paul Revere, sound the warning: 'THE REDS ARE COMING.'"**

## "WHAT IS A JEW?"

Vainly Asks One of Them in His Book

"FROM PHARAOH TO HITLER"

### JEWISH RACIAL CLAIMS CALLED "HUMBUG"

"Race is humbug," is the conclusion of Mr. Brown in a chapter devoted to "The Race Myth." He asserts that there is less ground for the premise that Jews are a race than those who hold themselves to be Nordics or Teutons. Referring to the "maddening mixture" of the races of mankind, he intimates that Russian Jews are descendants of Russian Mongolians who accepted Judaism, because the idea of membership in "a chosen" race was attractive. Historian Max Radin is quoted as saying that "the only significance modern anthropologists will permit us to attach to the phrase 'Semitic Race' is 'language.'"

The author earnestly exhorts his people to also admit that their claim to the title of "chosen people" is wrong, stating that there is no law in any civilized nation that establishes citizenry on a religious or racial basis.

"The Jews had better quit talking about the Jewish Race," comments Mr. Brown. He deprecates as "intellectual error" the clinging to the racial claim in defiance of analyses by the historians Graetz, Harris, Radin and others. Jews fail to understand that such tenacity reacts against them.

Jewish immigrants are not admitted as Jews into the United States, but as natives of the countries from which they come, such as Germans, English, Russians, etc. Were they admitted to U. S. citizenship under false pretenses? Many Jews are Asiatics, who are banned by the Asiatic Exclusion Law.

### PLACE THE JEW WHERE HE BELONGS

Jewish struggle for admission into Gentile society with the privilege to remain a chosen people, is bound to arouse opposition, the author points out, adding: "We must bring Israel a little closer, turn him over, submit him to the light of reason, test him by human experience, and PLACE HIM IN REALITY WHERE HE BELONGS."

The whole human history of the human race has never shown a people who so enmeshed in error and who persisted in refusing to see the truth, concludes the author, but he believes that once a clear understanding is had by Jews as to the precise meaning of the terms "nation, religion and race," they will realize that "little is left of Jewishness."

Holding that "The Dead Hand of the Past" has ever been at the throat of the Jews, and admonishing them to ring down the curtain on the past, Mr. Brown asks how they can expect Gentiles to comprehend Jews who are not sure about themselves; and in a chapter headed, "The Wondering Jew," he says "Sixteen million people (Jews) would like to know what Judaism is, and how one can be or become a Jew."

He declares that the remedy for the ghetto separation spirit lies with the Jew, who should make an earnest effort to meet Gentiles "on the basis of truth and fellowship." He confesses that Jews praise themselves without seeing their own faults, while the Gentile, without self-praise, "can admirably cuss us."

The author makes a remarkable admission on page 106, to the effect that through the B'nai B'rith anti-Defamation League of Chicago, the Jews have "muzzled the non-Jew press to the extent that American newspapers abstain from the pointing out that any person unfavorably referred to is a Jew." This is only one illustration of Jewish undermining the Freedom of the Press. The most deadly is through economic and advertising channels.

### WHAT AUTHOR BROWN FAILED TO RECOGNIZE

Like other Jews, Mr. Brown failed to think through to the core of this Problem. He apparently refuses to concede (1) A Jewish Predatory Economic Philosophy; (2) A Regimented Control by False Leadership; and (3) A cure by the only method possible in a sound Democratic Republic, viz.: PUBLICITY OF ALL THE FACTS.

Blindly and stubbornly spurning self-discipline by sidestepping those fundamentals, Jewry lays itself open to drastic external discipline when the world is forced to substitute raw self-preserved action for ineffectual palliatives. Jews are not "A Menace" because of Religion, Race or so-called Nationhood Complex, but because of a Materialistic Code of Get imposed through organized and monopolistic economic weaponry upon helpless individual Gentile victims. This subversive minority's power lies in the golden cement which binds it together. Destroy it, and such power disintegrates.

## WHAT PRECEDED THE PUBLICATION OF THIS PAMPHLET?

Following is correspondence between the author and Robert Edward Edmondson with regard to broadcasting extended verbatim quotations from the publication, "From Pharaoh to Hitler."

Mr. Bernard J. Brown,  
Chicago, Ill.

New York, June 29, 1936.

Dear Sir:

Being deeply interested in the Jewish Question, your splendid 1933 book, "From Pharaoh to Hitler," was temporarily loaned to me.

I am strongly impressed with the repeated sense of **fairness**, the penetrating **analysis** and the profound logic displayed therein, and would like to have a copy for library digestion.

I firmly believe that if it could be broadcast, **tremendous progress** would be made toward a solution of this problem.

The price of the book is unknown to me. Could you send me a copy COD? And at the same time would you give me permission to make extracts, with credit, from your book, for the good of the cause of solution of this important question?

Sincerely yours,

(Signed) ROBERT EDWARD EDMONDSON

Mr. Brown Replies

Chicago, July 2, 1936.

My dear Sir:

Thanks so much for your letter of the 29th instant.

I have instructed the publishers to forward you a copy as per your request, but insofar as exploiting the subject matter of the book is concerned, I wish to say that my object in writing the book was to help the Jewish people. I believed that the Jewish problem was a result of a **misconception of the Jew of his own status**, and that if by reason and logic, the mental attitude of the Jew could be changed, the problem would, to a great extent, be solved.

To my sorrow, the book has produced the reverse effect. **The Jewish people think that I am seeking to destroy them as a people.** The non-Jews are using some of the facts to the injury of the Jews.

I wish I could cooperate with you, but I must first know what your plan of cooperation is, and what you seek to accomplish.

Sincerely yours,

(Signed) BERNARD J. BROWN.

Mr. Edmondson Approves Thesis

Dear Mr. Brown:

Thank you for your letter of July 2.

I answer your last paragraph first, as to my purpose. I seek a **just solution** of the Jewish Problem amicably. It is apparently approaching a world crisis.

I agree with your view—"I believe the Jewish Problem to be the result of a misconception by the Jew of his own status, and have thought that if, by reason and logic, the mental attitude of the Jew could be changed, the problem would, to a great extent, be solved."

My intention, in quoting from your book, was to print a pamphlet composed entirely of credited extracts therefrom, without comment, covering salient features, to be circulated among non-Jews for their enlightenment. It is my belief that the impartial logic advanced by you **would be of incalculable value in bringing about a solution.** Inspiring verbatim excerpts convey an atmosphere unobtainable otherwise.

For the good of The Cause, I trust you may see your way clear to approve such a selfless service.

Sincerely yours,

(Signed) ROBERT EDWARD EDMONDSON.

Mr. Brown Has Doubts

Chicago, July 14, 1936.

Dear Sir:

Am in receipt of yours of the 8th instant, and while trying to figure out some method of using my book in connection with your "efforts to solve the Jewish problem," I came across an item in the Chicago Tribune of July 14, which puts me in a considerable quandary. (Edmondson libel action.)

You can readily appreciate that I cannot possibly permit the use of anything contained in my book by one who is actuated by a dislike, to say the least, of the people in whom I am so vitally interested. On the other hand, I do not conclude at all that the charge of anti-Semitism brought against you is well founded, without knowing the facts.

My experience and observation have led me to the conclusion that one need not be a Jew-hater in order to be designated an anti-Semite. I personally think that Isaiah and Jeremiah, and Jesus and Spinoza were anti-Semites when judged by the tests generally applied by the Jewish people towards those who seek to reason on the subject of Judaism, rather than follow sentiment or emotion.

Yours very truly,

(Signed) BERNARD J. BROWN.

Mr. Edmondson Outlines His Position

July 16, 1936.

Dear Sir:

I regret to receive yours of July 14.

I do not entertain even a dislike for objectionable Jews, to say nothing of hate. That would be a waste of time. I avoid such futile emotion by avoiding contact.

My attitude is entirely one of **abstract judicial analysis**, balanced by constant cultivation of perspective in an independent and detached position. So far as I know, no Jew has ever done me serious harm. Hence, **the personal element is absent.**

I fear that the term "anti-Semitism," as used by you and many other Jews, **constitutes a barrier to any agreement on a course of action aside from it, tending toward a justice-solution of this vital problem, since the start would be from a wrong premise.**

Sincerely,

(Signed) ROBERT EDWARD EDMONDSON.

### WHAT PRECEDED THE PUBLICATION OF THIS PAMPHLET?

Following is correspondence between the author and Robert Edward Edmondson with regard to broadcasting extended verbatim quotations from the publication, "From Pharaoh to Hitler."

Mr. Bernard J. Brown,  
Chicago, Ill.

New York, June 29, 1936.

Dear Sir:

Being deeply interested in the Jewish Question, your splendid 1933 book, "From Pharaoh to Hitler," was temporarily loaned to me.

I am strongly impressed with the repeated sense of fairness, the penetrating analysis and the profound logic displayed therein, and would like to have a copy for library digestion.

I firmly believe that if it could be broadcast, tremendous progress would be made toward a solution of this problem.

The price of the book is unknown to me. Could you send me a copy COD? And at the same time would you give me permission to make extracts, with credit, from your book, for the good of the cause of solution of this important question?

Sincerely yours,

(Signed) ROBERT EDWARD EDMONDSON

Mr. Brown Replies

My dear Sir:

Chicago, July 2, 1936.

Thanks so much for your letter of the 29th instant.

I have instructed the publishers to forward you a copy as per your request, but insofar as exploiting the subject matter of the book is concerned, I wish to say that my object in writing the book was to help the Jewish people. I believed that the Jewish problem was a result of a misconception of the Jew of his own status, and that if by reason and logic, the mental attitude of the Jew could be changed, the problem would, to a great extent, be solved.

To my sorrow, the book has produced the reverse effect. The Jewish people think that I am seeking to destroy them as a people. The non-Jews are using some of the facts to the injury of the Jews.

I wish I could cooperate with you, but I must first know what your plan of cooperation is, and what you seek to accomplish.

Sincerely yours,

(Signed) BERNARD J. BROWN.

Mr. Edmondson Approves Thesis

Dear Mr. Brown:

Thank you for your letter of July 2.

I answer your last paragraph first, as to my purpose. I seek a just solution of the Jewish Problem amicably. It is apparently approaching a world crisis.

I agree with your view—"I believe the Jewish Problem to be the result of a misconception by the Jew of his own status, and have thought that if, by reason and logic, the mental attitude of the Jew could be changed, the problem would, to a great extent, be solved."

My intention, in quoting from your book, was to print a pamphlet composed entirely of credited extracts therefrom, without comment, covering salient features, to be circulated among non-Jews for their enlightenment. It is my belief that the impartial logic advanced by you would be of incalculable value in bringing about a solution. Inspiring verbatim excerpts convey an atmosphere unobtainable otherwise.

For the good of The Cause, I trust you may see your way clear to approve such a selfless service.

Sincerely yours,

(Signed) ROBERT EDWARD EDMONDSON.

Mr. Brown Has Doubts

Dear Sir:

Chicago, July 14, 1936.

Am in receipt of yours of the 8th instant, and while trying to figure out some method of using my book in connection with your "efforts to solve the Jewish problem," I came across an item in the Chicago Tribune of July 14, which puts me in a considerable quandary. (Edmondson libel action.)

You can readily appreciate that I cannot possibly permit the use of anything contained in my book by one who is actuated by a dislike, to say the least, of the people in whom I am so vitally interested. On the other hand, I do not conclude at all that the charge of anti-Semitism brought against you is well founded, without knowing the facts.

My experience and observation have led me to the conclusion that one need not be a Jew-hater in order to be designated an anti-Semite. I personally think that Isaiah and Jeremiah, and Jesus and Spinoza were anti-Semites when judged by the tests generally applied by the Jewish people towards those who seek to reason on the subject of Judaism, rather than follow sentiment or emotion.

Yours very truly,

(Signed) BERNARD J. BROWN.

Mr. Edmondson Outlines His Position

Dear Sir:

July 16, 1936.

I regret to receive yours of July 14.

I do not entertain even a dislike for objectionable Jews, to say nothing of hate. That would be a waste of time. I avoid such futile emotion by avoiding contact.

My attitude is entirely one of abstract judicial analysis, balanced by constant cultivation of perspective in an independent and detached position. So far as I know, no Jew has ever done me serious harm. Hence, the personal element is absent.

I fear that the term "anti-Semitism," as used by you and many other Jews, constitutes a barrier to any agreement on a course of action aside from it, tending toward a justice-solution of this vital problem, since the start would be from a wrong premise.

Sincerely,

(Signed) ROBERT EDWARD EDMONDSON.

# JEWS FIGHT AMERICANIZATION

Is the Leadership of This Alien Minority Attempting to Establish the Jewish Code in the United States?

Documentary evidence is submitted below indicating that the false subversive leadership of Jewry is not only defiantly refusing assimilative Americanism, but has been trying to *Orientalize the United States* through a constant demand for and receipt of special privileges—which has undermined those Anglo-Saxon and Christian Codes of Justice and Honor that have been inherently responsible for the pre-eminence of America.

*"The Ideal of Judaism is that the whole world shall be the Greater Judaism."*—London Jewish World of Feb. 9, 1933.

Under cover of duped sympathy for "religious persecution" in Germany (actually a campaign to separate Church from State), following the pro-alien anti-American "Bill of Treason" law passed April 8 by New Jersey, violating state and national constitutional guarantees of free speech and press, Samuel Dickstein, Russian-born Jewish "Soviet Congressman" from N. Y. City, disregarding his oath to "PRESERVE" the U. S. Constitution, introduced in the House on July 23, 1935, a bill closing U. S. mails to publications "tending to promote hostility" against any "racial or religious group—in which category this patriotic analysis or other similar matter, including newspapers AND THE BIBLE, might be placed through hysterical "interpretations" from the fanatic alien minority that is seeking to overthrow the U. S. Government by Communizing revolution. That bill is against free speech.

The Jewish National Anti-Defamation League of Chicago, under date of December 13, 1933, issued the following notice:

"Scribner & Sons have just published a book by Madison Grant entitled 'The Conquest of a Continent.' It is extremely antagonistic to Jewish interests. \* \* \* The author insists that American development depends upon the elimination of unassimilable alien masses. WE ARE INTERESTED IN STIFLING THE SALE OF THIS BOOK. We believe this can be best accomplished by refusing to be stampeded into giving it publicity. It is our conviction that a general compliance with this (boycott) request will sound the warning to other publishing houses against engaging in this type of venture."

Since unbiased readers find no anti-Jewishness in Mr. Grant's book—only pro-Americanism—the full anti-Americanization significance of this "defamation" deft has been patriotically overlooked up to now, apparently overshadowed by the preposterous boycott "persecution" aspect.

"The Christian Century" of April 29 and May 13, 1936, editorially says in a warning to Jewry: "Any unassimilated element of the population is bound to make trouble, because American society is an organism with all its vital forces tending toward unity."

The 1918 Jewish Communal Register says: "The American Jewish Committee successfully opposed in Congress in 1909 the bill that census enumerators should ascertain the races of all inhabitants of the U. S."—to conceal the fact that Jews were invading the U. S. in great numbers under cover of other nationalities. This means that the official Jewish Minority figures of 4,228,000 should be very largely increased. The Register goes on to say that Jews have "supported liberal immigration measures" and that the American Jewish Committee also "opposed with success the passage of legislation and rendering of judicial decisions by which it was sought to deprive Asiatics of nationalization because such laws would deprive Jews from Asia of the right to become citizens." This is in the same book: "The N. Y. Board of Jewish Ministers has tried in various ways to offset Christian missionary activities. It has opposed Easter and Christmas celebrations, and has fought for more liberal Sabbath legislation."

## No Persecution of Jews in U. S.

"There is no religious persecution of the Jews in the U. S., but there is very real religious persecution BY the Jews," says the 1921 edition of "Jewish Activities in the U. S." Then follows this group of citations from Jewish records: "1899-1900: Jews attempt to have the word 'Christian' removed from the Bill of Rights of the State of Virginia; 1906-7, Jews of Oklahoma protest acknowledgement of Christ in new state constitution; 1908-9, protests made to Arkansas Governor against 'Christological' expressions in his Thanksgiving Proclamation; 1907-8, Jews agitate in many cities against Christmas celebrations or carols; 1911-12, Philadelphia Kehilla demands Jews be exempted from operation of Sunday laws; 1916-17, Jews carry out immense campaign against literacy clause of Immigration Bill. Kehilla records show that Jews have prohibited reading of Merchant of Venice (Shylock) in many schools. N. Y. Police Commissioner Bingham was removed because of criticism of criminality among Russian-Polish Jews."

"The Jew never was a really true American. He might say he is, but he is not in the deeper sense."—Rev. D. J. Brouse of the Methodist Church, quoted approvingly in the Jewish World (England) of July 13, 1921.

"Whether born here or naturalized, in reality we are not British at all; we are International Jews—by race and faith; and not Englishmen."—From the London Jewish Chronicle of Sept. 26, 1913.

"Let us recognize that we Jews are a distinct Nationality."—U. S. Supreme Court Justice Brandeis.

The N. Y. Times, Jewish-owned, reported Jan. 28, 1934: "The underlying philosophy of the New Deal is the philosophy of Justice Brandeis. The NRA (declared unconstitutional) is almost a composite of his dissenting opinions." Filene was NRA financial "angel" before it was "taken over" by the Washington administration. It was patterned after the "PEP" of England, sponsored by Israel Moses Sieff, who is reported to have said after its introduction in the U. S.: "Let us go slowly and see how OUR plan carries out in America."

The following is a quotation from Jewish Editor Margoshes' column in "The Day" of N. Y. City, June 15, 1936: "WE MUST HAVE LAWS TO COPE WITH ANTI-SEMITISM." As matters stand now, any person slandering the whole Jewish people is within his Constitutional rights and beyond the reach of the law."

In his paper, this Jewish editor arrogantly wrote on Dec. 14, 1935: "Public schools must be kept clear of carols and other Christmas influences. The educational system of N. Y. City—and other cities with a large Jewish population—please take notice. WE WANT ALL THIS CHRISTMAS PROPAGANDA STOPPED."

He also defiantly wrote in the same paper on April 9, 1936: "The Jews of America constitute a great political force. This power belongs to them AS OF RIGHT. They are going to exercise it AS THEY SEE FIT! What are YOU going to DO about it?"

Under the circumstances, in consideration of the Jewish "legal rebellion" against Americanism, as exemplified by thousands of cases on record, including the regular and persistent voting of United States Supreme Court Justices Brandeis and Cardozo against the American Gentile Majority, WHY SHOULD NOT JEWS BE DISFRANCHISED AND DENIED THE BALLOT? By prominent Constitutional authorities we are informed that this situation is covered in Amendment No. 14.

# ROOSEVELT'S JEWISH ANCESTRY

"HE IS NOT ONE OF US!"

(Reprint from Oct. 15, 1936, issue of "The Revealer," of Wichita, Kan., Rev. G. B. Winrod, Editor.)

The chart shown below, prepared by the Carnegie Institution of Washington, D. C., has come as a shocking revelation to millions of American citizens. It explains things in connection with Roosevelt's Administration which can not otherwise be understood.

Even a hasty perusal of this factual document convinces one as to the President's Jewish ancestry. From the viewpoint of eugenics, it explains his natural bent toward radicalism.

It shows why he has given hundreds of so-called Liberals, Socialists and Communists powerful positions in the national government. It reveals the origin of the sinister spirit which today animates the White House. It proves unmistakably, that the Roosevelt Administration offers a biological, as well as a political problem.

The New York Times of March 14, 1935, quotes the President as saying: "In the distant past my ancestors may have been Jews. All I know about the origin of the Roosevelt family is that they are apparently descended from Claes Martenszen van Rosenvelt, who came from Holland."

Additional information regarding the nationality of the Roosevelt family, was given by Chase S. Osborn, early in 1934, at St. Petersburg, Florida. Mr. Osborn was formerly Governor of Michigan. The leading newspaper of the city carried the following report after the interview:

"Although a Republican, the former Governor has a sincere regard for President Roosevelt and his policies. He referred to the 'Jewish ancestry' of the President, explaining how he is a descendant of the Rossacampo family expelled from Spain in 1620. Seeking safety in Germany, Holland and other countries, members of the family, he said, changed their name to Rosenberg, Rosenbaum, Rosenblum, Rosenvelt and Rosenthal.

"The Rosenvelts in north Holland finally became Roosevelt, soon becoming apostates with the first generation and others following suit until, in the fourth generation, a little storekeeper by the name of Jacobus Roosevelt was the only one who remained true to HIS JEWISH FAITH. It is because of this Jewish ancestry, former Governor Osborn said, that President Roosevelt has the trend of economic safety (?) in his veins."

## JEWRY'S WORLD PROGRAM

The radical movement which is sweeping the world today, causing the foundations of organized society to crumble, is a Jewish movement! Whether it is the First Communist Manifesto, written by the Jew Karl Marx, in 1848—or a Moscow dictatorship, set up eighteen years ago, composed of 545 leaders, of whom 447 were Jews—or a Jewish banking concern in Wall Street depositing money to the credit of Lenin and Trotsky in a sister bank in Sweden—or a Communist regime in France, headed by the Jew, Leon Blum—or a Spanish revolution, precipitated by a Jew named Bela Kun—or an ominous division in the ranks of the American Federation of Labor—or a subversive Brain Trust carrying the Nation toward the red abyss of Bolshevism . . . the radical program is today, and always has been, primarily A JEWISH PROGRAM.

(Over)

Roosevelt inevitably draws upon his Semitic ancestry. It is, therefore, as natural for him to be a radical, as it is for others to be true Americans. This is why he can boast of flaunting conventionalities, and publicly gloat over destroying those traditions which are fundamental to our national character. **HE IS NOT ONE OF US!** This may also explain why he attaches so little importance to his word of honor, and has no hesitation in breaking his promises.

It is to be doubted if he, himself, understands the inner forces that surge through his being, driving him further and further toward the Left! It's in his blood! Meanwhile, the result of 160 years' constructive effort on the part of Christian patriots threatens to be swept away.

For this reason, one of his first official acts after becoming President, was to invite Finklestein, alias Litvinoff, to the White House for the purpose of establishing diplomatic relations with the Jewish dictatorship of Moscow. For this reason, he has appointed Jewish Ambassadors to such strategic diplomatic posts as Paris, Stockholm and Moscow. For this reason, Bernard Baruch has lately been called "the unofficial President of the United States."

For this reason, a super-cabinet, known as the "Brain Trust"—an organization of appointees dominated by powerful Jewish intellectuals, has been set up to usurp constitutional powers of our duly elected lawmakers.

We do not condemn Roosevelt for coming from Jewish stock. We condemn him for being a leader in the international radical movement **which is throwing Gentile governments, the world over, into convulsions.**

If the Jews were living as an independent nation in their homeland (Palestine) today, it would be a mistake for a **Gentile** to rule over them.

In like manner, the Semitic mind is incapable of assimilating the Christian and American viewpoints sufficiently, to risk placing the destiny of 120,000,000 human beings in the hands of a few members of their race.

#### SIX-POINT SOLOMON STAR MEDALS

The following is from "The House of Roosevelt" by Paul Haber, 1936 edition: Claes Rosenfelt entered the cloth business in New York, and was married in 1682. He accumulated a fortune. He then changed his name to Nicholas Rosenfelt. Of his four sons, **Isaac** died young. Nicholas married Sarah **Solomons**. **Jacobus** married Catherina Hardenburg. The Roosevelts were **not a fighting** but a peace-loving people, **devoted to trade**. **Isaac** became a capitalist. **He founded the Bank of New York in 1790.**

The American Freedom Magazine of Los Angeles, Calif., April, 1938, issue, reproduced the quotation below:

"In an address to the National Convention of the D. A. R., President F. D. Roosevelt said that he too was of revolutionary ancestry. **BUT NOT A ROOSEVELT WAS IN THE AMERICAN ARMY.** They were Tories, busy entertaining British officers. The first Roosevelt came to America in 1649. His name was Claes Rosenfelt. He was a **JEW**. Nicholas the son of Claes, was the ancestor of both Franklin and Theodore. He married A **JEWISH GIRL** named Kunst in 1682. Nicholas had a son named Jacobus Rosenfelt. In the family tree there are 351 persons bearing biblical names of the Tribe of Israel—Abraham, Moses, Abel, Isaac, Enoch, Ephraim, Samuel, Ezekiel, Eleazer, Simon, Nathan. Among the women are: Abigail, Hannah, Rebecca, Deborah, Rachael, Ruth. When Theodore Roosevelt was running for Governor of New York he made a speech in **YIDDISH** at the Little Hungary Cafe.—From The Corvallis Gazette-Times."

New York Jews having designed and struck off a medal with the head of Roosevelt on one side and the sixpoint Solomon Star, **synagogue symbol of possession and world power**, on the other, with a mystical so-called "Good Luck" idiom in the center of the star, the undersigned and his associates investigated to ascertain the significance, if any, and report these implications:

**"Good Luck and Wisdom to Franklin D. Roosevelt, our Modern Moses, Leading Jewry in 'The Promised Land' (America) under the 'Seal of Solomon'."**

The following New York item was published from Coast to Coast under an Associated Press date line of May 8, 1937: "President Roosevelt will receive the tenth award of the Gottheil Medal for **"DISTINGUISHED SERVICES TO JEWRY."**

WHAT "distinguished services" has Roosevelt rendered to Jewry?

Prof. H. J. Laski, Jewish Socialist of England, was quoted in the London "Fascist" of January, 1935, thus: "If the experiment for which Roosevelt is responsible, should in any serious degree **break down**, as a result of the association with it of a number of eminent Jews, **there would be an outbreak of Anti-Semitism in the U. S. more profound than anything Anglo-Saxon Civilization has so far known.**"

## "FROM PHARAOH TO HITLER"

(Robert Edward Edmondson Reviews a Sensational Work)

Essaying to Solve the Jewish Problem, Bernard J. Brown, Prominent Chicago Lawyer, the Most Outspoken Jew Since the Celebrated London Savant, Dr. Oscar Levy, Legally Microscopes His People.

If the book, "From Pharaoh to Hitler," by Jewish-Lawyer Author Bernard J. Brown of Chicago, could be broadcast by the million throughout the United States, the Jewish Problem would be quickly solved, for it would start a nation-wide debate. While he has missed the **core or key**, Mr. Brown profoundly and frankly analyses the Religious, Racial and National Jewish fundamentals with the most penetrating legal logic ever published. Occasional lapses into what Christians would take as Jewish bias are not to be wondered at. This author may be truthfully described as one of the bravest of Jews to thus challenge leaders of his own people.

While permission to quote extensively from this suppressed copyrighted book has been withheld, reviewers offering fair criticism in the interest of the public welfare, are not prohibited from directing attention to outstanding points in the customary manner as below. Open minds will welcome this wealth of **enlightening material** from an impeccable source.

### RELIGION AND THE JEWISH PROBLEM

In the opinion of this review-critic, Mr. Brown sensationally **exposes the fallacy** of three premises, viz., that Jewishness stands for (1) Religion; (2) Nation; (3) A Chosen Race. He makes no reference to the real issues of Economic Monopoly, Communistic Regimentation or False Leadership. The Religious Factor is disposed of first as below:

Admitting "A Jewish Problem" and holding it to be **vital**; declaring that **while Gentiles are not generally alive to its import**, Jews are, he asserts its non-solution to be largely due to the "befuddled intellectual" condition of Jewry as to Judaism. Mr. Brown confesses that the Jew has been liberated from oppression and then asks **whither that**, and "religious narrowness," has carried Jewry. To hold that Jews are a religious minority, he says, **entirely destroys any claim to minority group recognition in any nation**. "The Jews live according to their own laws," the author quotes from the Book of Esther in the Bible. This, he says, has always provoked opposition, building insurmountable barriers to normal intercourse with non-Jews by a separate existence.

As he understands it, Hitlerites do not expect the Jew to change his Religion, but they demand that he keep his **racial distinction** out of German culture. What Jews should do is to **separate race from religion**, in his opinion.

Denouncing such a premise as "a false notion," Mr. Brown says: "Any Jew will tell you that if we had not written the Bible there would have been no civilization; that all the wisdom of the world is derived from the Torah, and every philosophy is founded upon the fundamental principles of the Talmud."

The Orthodox Jew's conception of the term "Jew" is given as any person who believes in God and the Divinity of the Torah; while the Reform Jew says Judaism is **not a theology**, but "a way of life"; and the Zionists hold Jewry to be a nation and a race.

The great Jewish Religious Leader, Maimonides, is represented as having defined Judaism as "Belief in God; His Unity; His incorporeality; His eternity; His claims to adoration; in Moses as the greatest prophet; in the Divinity of the Torah; in the future appearance of the Messiah, and in the resurrection of the dead." Mr. Brown says Jewry lived under that conception until the middle of the 18th Century. Heinrich Heine described the Jewish Bible as "Their Fatherland, their Government."

This description of a Jew held good until **up to within the last 60 years**; but the author declares that what once made up the Jewish Religion has **completely disappeared in the last 75 years**.

### JUDAISM NOT A THEOLOGY

Rabbi Louis Mann of Chicago is quoted as having said in 1928 that "Judaism IS NOT A THEOLOGY, but a way of life." **Judaism cannot therefore be a religion**, under customary interpretations. Einstein is quoted as saying: "I cannot conceive of a God that rewards and punishes."

The author confesses that if they are honest with themselves, Jews must conclude that they are not Jews **because of religion**. It is pointed out that The Jewish Youth Movement cuts out the religious element from the term "Judaism," and substitutes "Jewish Unity," apparently accepting the idea that while religion may be a matter of choice, still, **racially**, Jews are Jews.

"Yom Kippur" is a Jewish custom which he thinks has **entirely lost its significance**; and he urges that the "Purim" commemoration of the slaying of men after the hanging of Haman, as described in Esther of the Bible, be abolished as reprehensible.

The startling statement is made by Mr. Brown that rabbis are "Cultured gentlemen who, for hire, keep Jewish congregations together as 'a social group,' **regardless of religious beliefs**."

The Zionest idea of being led out of the countries in which they now live into the promised land of Palestine has become a "nightmare" to most Jews, Mr. Brown admits. Kosher laws enacted by New York and Illinois are held to establish legislative precedents **dangerously involving religious questions**. Admitting that not one monument or sculptured stone remains as testimony of "The Jewish Kingdom," he says **nothing therefrom except the Bible and related writings have been created by the Jews**; suggesting that "Jews are taking Biblical history too seriously," and pointing out that **union of state and church jeopardizes personal liberty**. "No human problem has ever been solved on the basis of theologies, bibles or utterances of ancient prophets," says the author.

## "WHAT IS A JEW?"

Vainly Asks One of Them in His Book

"FROM PHARAOH TO HITLER"

### THE JEWS AS "A NATION WITHIN A NATION"

In "From Pharaoh to Hitler," Mr. Bernard J. Brown makes a very exhaustive legal analysis of the claim to "Jewish Nationhood," treated in Part 2, as below:

"The Jewish National Complex" is the title of one chapter of this remarkable book, which says Jewish Nationalists hold that the Jewish Nation stands separate and apart **even though Jews are enjoying rights and privileges of the country where they live.** The author admits that the United States is the best laboratory in the world for a real test, since it cannot be claimed that Jews have not here been accorded **equal opportunity and rights.**

Dramatically, the truism is held up that Jews will surely be feared and hated **if they accept everything Americans have to offer and yet refuse to be Americanized.** "What do we expect to contribute to American civilization AS JEWS?" he asks. "Do we expect to contribute **the religion we have abandoned?**"

Admitting that the Zionists maintain that the Jews are a Nation—and the only way to solve the Jewish Problem is in the founding of a Jewish National Homeland in Palestine—Mr. Brown holds that Jewish national consciousness in lands in which Jews live is the **lowest kind of Chauvinism** (my people, right or wrong) because it is "based on false premises."

The author is convinced that Jewish establishment of a real state in Palestine contemplates the "pledging of their lives, their fortunes and their sacred honor" to that objective—not merely raising money. He does not believe such possible without annulment of the British Mandate, which is hopeless. He seems to think the Arab right of possession is stronger than the Judaistic claims.

Having long been proponents of the theory of the separation of the state and church, he points out that Jewish Nationalists now propose to found a Palestine Jewish State **combining religion with the function of government;** that as civil equality has been established in most lands, Jewish Nationalism is inconsistent with progress. Having obtained such equality "**under false pretenses,**" he intimates that Jews should not be surprised if a reactionary movement were started **to revoke those rights.**

### MONGOLS IN PALESTINE 200 YEARS

Dwelling on Jewish Palestine legal aspects he quotes an article by Prof. Chaim Tchernovitz of the Jewish Institute of Religion in "The New Palestine" of June 5, 1931, which brings out the fact that Palestine was occupied by many races, including "**The Mongols, who swept into the land in 1400 and held it until early in the sixteenth century.**"

There is no question in the mind of the author that while language is not a national essential, **civil government and land are indispensable.** The question is asked: How there can be a Jewish nation composed of persons born and living in various countries under many forms of political and economic circumstances, speaking different languages? It is emphasized that the desire to reclaim Palestine for a Jewish nation **proves that land is a nationhood essential.** Jews are exposed as arguing against "ethnic nationalism" when sufferers, but, given land, they immediately become "ethnic nationalists."

Having built their own ghettos for a separate existence, Mr. Brown asks why many Jews entertain an impression that such disadvantages were **imposed by Gentiles.** He holds that logicians are forced to conclude that demand for Jewish nationhood in the lands where they live is "**subversive of national unity.**" He exclaims: "In one breath, our people claim to be internationalists, and in the next, they assert that Jewish nationhood is an ineluctable fact."

It is evident," says, Brown, "that the most active Jewish Nationalists do not intend to live in Palestine," even if a homeland is established there. To do so would repeat the error of Moses, who, instead of starting a revolt, led his people out of Egypt in fear.

### ZIONISM NOT A SOLUTION OF JEWISH PROBLEM

The author maintains that the Jewish Problem **cannot be solved with Zionism**—all the Jews will not consent to settle in Palestine. He believes that the solution lies in a nationalism **based on "geographical boundaries and civil government"**—which is nothing more or less than complete "**assimilation**" into a state organism, such as the United States.

Challenging Mr. Brown's statements about the disappearing of Judaism and Talmudic customs, and denials that Jewry is a "nation within a nation," below is quoted an article from the N. Y. American of July 26, 1936, reporting the establishment next Fall in the Williamsburg section of Brooklyn, N. Y., of a Jewish Tribunal to supersede the American Code:

"Instead of the Old Roman and English Common Law, which is the basis of American Jurisprudence, the Jewish Court intends to decide all cases brought before it on the wisdom **contained in the Talmud,** formidable works of Hebraic rulings.

"Municipal Court Justice Isidor Buxbaum, who is to serve in an advisory capacity with Magistrate Mark Rudich, yesterday told the American: 'I can't conceive of a decision more binding on a good, honest Jew, than one handed down in a tribunal **presided over by a rabbi.** Arbitration has always been a Jewish trait. For 25 years I've been advocating such a court.'

"According to present indications, the disputes will be aired before a board of jurists, lawyers and business men, **with a rabbi acting as chief judge.**"

Has the "Pooh-Pooh" propaganda of Communizers put YOU in a hypnotic Rip Van Winkle sleep?

Do you need a bombshell-explosion or gunshot-barrage to awaken you to the deadly peril?

Would it shock you to know that your name is among those scheduled to be "liquidated" first?

Why not investigate and learn if you or your friends are on the "Red Death List"? Ask District Headquarters, "Military Intelligence" or California Vigilantes." They have records which suggest that 25% of future victims are in residential sections, with 5% in working areas.

Having had far more time in which to prepare to "liquidate" anti-Communists than they had before killing Christian millions in the Soviets, ALIEN "Shock Troop" butchers are READY TO ACT ON SIGNAL from Jew-ruled Moscow.

"The subversive and pernicious activities of the American Communist Party flow out of the program elaborated by the Moscow group," said Secretary of State Charles Evans Hughes (now Chief Justice of the U. S. Supreme Court), in a report to the Senate on Jan. 21, 1924.

Watch out for evidence of sabotage legislation. A mass attack by Communists is in preparation against the Criminal-Syndicalist Law of California. Aliens plan to drive repeal through by the usual bribery, blackmail and fear.

If Americanism is to survive, then Jewish Communizing must be destroyed. The way to do it is to OUTLAW THE COMMUNIST PARTY.

If this leaflet tells the TRUTH, you will be "bumped off" unless you ACT BEFORE IT IS TOO LATE. If it is an exaggeration, you MAY escape "liquidation" by being on guard.
